

# WELCOME TO SUNDAY WORSHIP

## OUR SERVICE

A typical Sunday Worship Service starts at 10AM and will last about 90 minutes. Plan to hang around after the service for fellowship and meeting new people.

## MUSIC & ATMOSPHERE

We sing a good mix of contemporary and traditional music that is led by our worship team. Dress ranges from jeans to suits.

## FAMILIES & CHILDREN

The whole church family gathers for the first half of the service. There is an announced time for the children to leave for Sunday school right before the sermon.

## GIVING

A voluntary offering is collected during the service. If interested in participating, envelopes are available for receipt purposes.

## ACCESSIBILITY & PARKING

There is plenty of free parking and the main entrance is handicapped accessible.
