New Bible College Course

Our newest *TFTW Bible College* course entitled “Survey of the Bible” is now live.

This course is intended to be a survey of the Bible in order to help the learner understand a general idea of what each book of the Bible says, to put the books in their proper context, and to understand more about the common themes or messages running through the books.

“Your lessons have been extremely helpful.”
- J.O., from Nigeria

TFTW welcomes the **Estes Church of Christ** in Henderson, Tennessee to our list of coworkers.

Like you, they have joined us in a joint effort in the furtherance of the Gospel. **Thank you Estes Church of Christ and all who continue to work with us for sowing the seed of the kingdom.**

“My eyes have been opened to the truth of the word of God.” - C.E. from U.S.A

Efforts in 2026

There will be at least 2 main areas of focus for our work in 2026. These areas coincide with 2 of our goals in our 1-3-5 Year plan. The areas of emphasis for 2026 are:

1. Continue translating material to other languages

One of our main goals for the years ahead is to translate more of our materials into languages other than English.

We will be researching converting other material into popular languages of the world, such as Arabic and Hindi, to potentially reach out to millions in the world.

2. Increase our course offerings on the *Truth For The World Bible College*.

New potential courses that may be added soon include:

- *Survey of the Old Testament*
- *Survey of the New Testament*
- *Looking to Heaven*
- *Problems in the Church*

Thank you for sowing and watering with us!
