

# Truth For The World

Newsletter - 3rd Quarter - 2025

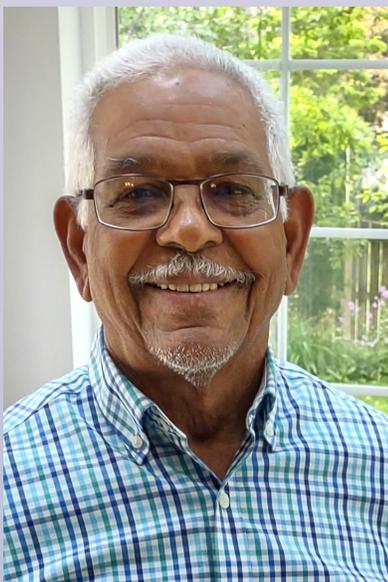

## *La Verdad Para El Mundo*

In case your Spanish is rusty, the title above is translated as “*Truth For The World.*” The “*La Verdad Para El Mundo*” section of our website hosts materials in the Spanish language, including tracts, audio, videos, and Bible Correspondence Courses.

We are happy to announce that we have added more Spanish-language materials recently to this portion of our website. The materials added include:

- **Over 40 tracts have been translated from English to Spanish.** These are available to be read online individually on their own webpages or downloaded in bulk along with the previously available Spanish tracts as printable PDF files.
- **The Saved?! TV series is now available with Spanish narration.**

To “**Increase our Spanish-language resource inventory**” is in line with our Year 1 Goals of our 1-3-5 Year Plan. Materials in other languages should be added later as long as we are able, in accordance with our Year 3 and Year 5 goals.

### Meet Luis

Luis is originally from the Dominican Republic, is a native Spanish speaker, and is a member of the church.

Luis has helped us with translating our materials to Spanish. After running our materials through online translation, the resulting Spanish documents would be given to Luis. He would then go through them and make any corrections to get them just right! Our new tracts and videos come with his help.

Luis has now returned to the Dominican Republic and plans on teaching the Bible there. Please remember him in prayer.

## **Budget Time For Many**

Thank you for working with us in 2025. We hope you are encouraged by the good news being spread around the world.

*Truth For The World* makes Bible teaching available online 24/7 and so you never know who may be searching, looking, reading, listening, or watching. While we gather analytics near the end of the year, sometimes we see analytics during the year. At 8:15 PM CST, August 29, 2025, we captured analytics data for our website *truthfortheworld.org*. Within the last 30 minutes, there had been visitors from at least 9 different countries. They had been viewing materials in 2 different languages, English and Spanish, and had been viewing topics such as “The Steps of Salvation,” “Confession,” and “Are You a Pastor?”

When we think about all the lost people in the world it can feel daunting and overwhelming. How can we ever reach them? At *Truth For The World*, they literally come to us. Most people come to our website through an Internet Search, which tells us they are looking for answers. We know that when they find us, they will see the truth, as delivered in God’s word, the Bible.

Whether it’s day or night, or whether we are awake or asleep, *Truth For The World* is offering the written word, radio programs, TV programs, and more to those who are searching or just wanting to learn more. With the support of people like you, our impact can be huge, reaching people around the world.

*We plead with you to continue this fellowship with us into 2026! We are reaching tens of thousands and we don’t want to stop now! Will you be in our fellowship in 2026?*

*“I love Truth For The World For helping me to know God through Bible Course online. Many Thanks.”*
