

REPORT FOR JUNE AND JULY 2022

Dear Praying Friends,

I trust this letter finds you doing well and enjoying the blessings of the Lord. This summer has been an amazing and a busy time. We have seen God work in hearts and lives and it is always a privilege to be used of the Lord to challenge Christians about the Great Commission.

First, we held our **Annual Board of Trustees' Meeting** and **Candidate School** the first week of June. There were 45 candidates here during the week and the Lord gave us a wonderful time together. As always, it was great to hear the testimonies of the new missionaries about how God had saved them and called them into full-time missionary service. Please pray for these missionaries as they raise their support.

Next, we held **Camp BIMI** the last week of June. God gave us an amazing group of 53 students, ranging from 15 to 62 years of age. Those who attended were very interested in missions and there was an excellent spirit throughout the entire week. All of the students gave testimony that God used Camp BIMI to help them find where they fit in missions. Please pray specifically for those who are called to full-time missions that they will follow God's plan for their lives.

The third major activity that was held at the World Missions Center was **Enrichment Week**. The Lord allowed us to minister to 29 adults, 15 teenagers, 13 youths, and 5 nursery age children. This special week is sponsored by local churches and individuals who give for the purpose of encouraging and enriching missionary families who are on furlough.

Once again, we want to express our sincere appreciation for your faithful support of our family and ministry. Thank you for the privilege of representing you in worldwide missions during these unusual days in which we are living. May the LORD richly bless you!

In Christ,

David & Barb
