CURRENT QUARTER (APR, MAY, JUN)

MANKIND AND SIN / THE PERSON AND WORK OF CHRIST

An overview of the core truths of Christian doctrine on essential human nature, humanity in sin, humanity in grace, humanity in glory, the humanity of Jesus Christ, the deity of Jesus Christ, the one Person, and the atonement (Biblical and historical perspectives).

Room S101 • Learning Track: Faithful Theology

OLD TESTAMENT SURVEY: PENTATEUCH

The Pentateuch also known as the Law or the Five Books of Moses. Brief overview of Genesis, Leviticus, and Deuteronomy, and a more in-depth study of Exodus and Numbers. Outlining each of the books identifying the main characters and events. Seeing how Moses develops as a leader. Analyzing the development of God's covenant with His people, identifying points of continuity and discontinuity with the New Testament.

Fellowship Hall (Left Side) • Learning Track: Biblical Literacy

DAVID'S LIFE THROUGH 13 PSALMS

What does it mean to be a Man after God's Own Heart. David was a man of action and passion. The Bible not only describes his many faithful acts (as well as his sins), but David's heart is revealed in his psalms. Studying 13 psalms with "superscriptions" that identify the event in David's life tied to each of these psalms. By studying his actions and heart together, we can gain greater insight into what it means to be a man after God's own heart (1 Sam. 13:14, Acts 13:22).

CHURCH HISTORY

Since its foundation on the Day of Pentecost, the Church has existed as a kingdom in exile. As such, it has had to wrestle, in every age through which it has walked, with the same four questions: what should be the relationship between the church and the secular government? How far can the church go in accommodating secular culture? How should we relate to those of other faiths? How should we respond to persecution? By studying the important people, writings, and events in the history of the Church and evaluating the varying answers to these questions, we will be better informed to answer the same questions in our own age.

Room S108 • Learning Track: Living Christianly

LOOKING AHEAD

QUARTER 3 (JUL, AUG, SEP)

THE PERSON AND WORK OF THE HOLY SPIRIT / THE CHURCH

Continued overview of the core truths of Christian doctrine that every disciple should know. This quarter focusing on the Holy Spirit and the Church.

Room S101 • Learning Track: Faithful Theology

OLD TESTAMENT SURVEY: HISTORY

Continued walk through the Bible to see that it is not a collection of unrelated books but indeed is a single story woven together by God over thousands of years. This quarter covers Joshua, I & II Samuel and I & II Kings.

Fellowship Hall (Left Side) • Learning Track: Biblical Literacy

THE HOLY SPIRIT - SURVEY IN THE NEW & OLD TESTAMENTS

The Holy Spirit is the very breath of God. In both the New and Old Testaments, the word for the Spirit is breath. This class will survey what the Bible says about the Holy Spirit including how He breathes life into us, refreshes us like a cool summer breeze, carries us along like the wind, and comes upon us like "a violent wind" (Acts 2:2).

Fellowship Hall (Right Side) • Learning Track: Biblical Literacy/Living Christianly

PASTORAL LETTERS

A closer look at the pastoral letters to Timothy and Titus.

Room S108 • Learning Track: Biblical Literacy

QUARTER 4 (OCT, NOV, DEC)

GOD'S MARRIAGE BLUEPRINT

We'll be using Dave Hazelton's new book "God's Marriage Blueprint: Restoring the Beauty of God's Original Design" (Morgan James 2026) to answer 3 critical questions: (1) what are the creation truths for marriage revealed in Genesis 1 & 2? (2) how did sin damage that creation design as revealed in Genesis 3? and (2) what does the New Testament reveal about God's restoration of our marriages in light of His creation design?
