Sponsorship Opportunity

This Christmas marks our 1st year hosting Giving Hope at the North Campus. Our mission is simple: Giving Hope is about giving children more than just a gift under the tree. By sharing the love of Jesus with them, we are giving them the lifelong gift of hope.

How You Can Partner

We are seeking businesses and community partners willing to support Giving Hope through:

- Financial sponsorships
- Toy donations for the kids
- Gift cards for the teens
- Wrapping supplies
- Teen Bibles

Every contribution directly impacts local children and families.
