

# DAVID & SOLOMON – THE LEGACY OF THE TEMPLE

Profiles of David | April 12, 2026

**How we take care of the church is a reflection of how we take care of our own relationship with God.**

## 1. \_\_\_\_\_ WITH YOURSELF

*1 Chronicles 22:5 NIV*

## 2. \_\_\_\_\_ THE HEART

*1 Chronicles 28:9-10 NIV*

David was not just passing on a throne, but  
**he was passing on his heart to his son.**

---

*“There is no success without sacrifice. If we succeed without sacrifice, then it is because someone who went before us made the sacrifice. If you sacrifice and don’t see success, then someone who follows will reap success from your sacrifice.” - John Maxwell*

3. \_\_\_\_\_ **THE LOAD**

1 Chronicles 22:14-17 NIV

---

*“David’s exhortation to Solomon begins with the most important aspect – emphasizing a genuine commitment to a real relationship with the living God. David essentially told Solomon, ‘The secret of my success has been my relationship with God. You need to pursue the same relationship.’”*  
- David Guzik Enduring Word Commentary
