

BE Free Kids Vision

Welcome to BE Free Kids! We are excited to share our vision for this program, where we hope to provide opportunities for kids to grow in their love for God and His word, deepen their relationship with Him, partnering with you to equip them in and out of our church, to help transform the next generation of intentional Christ-followers.

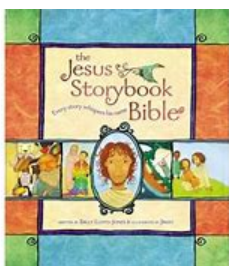

BE Free Recess

Supervised play for kids during adult and teen Sunday School outside whenever possible

Nursery Care (infants - 4yrs)
during the entire worship service

BE Free Kids Church (Pre-K through Grade 4)
kids will start in the service and then go to classrooms after worship - on the first Sunday of the month kids will remain in the sanctuary for the entire service

Family Bible Time

We want to help connect Sunday to the rest of your week, and one way to do that is by reading the Bible together. It may take multiple tries before you find the right time to read and reflect, but don't give up! You are building good habits

and showing your kids the importance of reading God's Word. *The Jesus Storybook Bible* by Sally Lloyd Jones is a great first Bible to read together!

Kids Church with Truth:78

The PreK - 1st grade class will start a unit on The New Testament and the 2nd - 4th grade class will start a new unit called *Be Like Jesus*. Truth:78 has a mission to inspire and equip the church and the home for comprehensive discipleship of the next generation. All lessons have a God-centered focus, proclaim the gospel of Christ, promote joy in the classroom, and deepen engagement and discipleship with our children. It is going to be another great year in Kids Church!

Welcome to **BEFREE**kids

We provide opportunities for kids to grow in their love for God and His word and deepen their relationship with Him, partnering with you to equip them in and out of the church, to transform the next generation of intentional Christ-followers.

 **Recess:** Sundays during the Sunday School hour starting at 9:00, kids are invited to join our volunteers* for open play and crafts. It is a great time for fellowship, fun, and weather permitting, outdoor play!

 **Youth Sunday School:** During Adult Sunday School starting at 9:00, older kids and teens have an opportunity to talk about their faith, ask questions about God, and be discipled by caring leaders* in a small group setting.

 **Nursery:** Sundays during the entire Worship Service starting at 10:00, infants to 4 year olds are supervised by caring and trained volunteers*. There is also an infant room for nursing moms which streams the worship service. It has a changing table, rocking chairs, and infant toys for the littlest ones to be with their guardian.

 **Kids Church:** Sundays after the first part of the Worship Service, kids Pre-K to Grade 4 are invited into the classrooms. Trained volunteers* use Truth:78 curriculum to facilitate fun and developmentally appropriate lessons. On the first Sunday of every month kids will remain in the sanctuary for the entire service.

 **Kids In Service:** On the first of the month kids stay in service with their families instead of attending Kids Church. There are Activity Bags available, a Quiet Corner table in the back, and the infant nursery has a tv streaming service as an option also. We want you and your family to always feel comfortable worshipping at church!

 **Monthly Events:** Opportunities for our families to come together in and out of the church in places people already go, doing things people already do with the intention of shining the light of Jesus as we build relationships. Check befreechurchct.com for the most up to date information and details about these events!

*All volunteers and leaders complete a required multi-step process before serving in all areas of BE Free kids.
