Senior Adults Living Triumphantly

THE SALT MINISTRY

A few years ago there was a book written titled, *"Fellowship of the Ring"*. It was about a group of men that set out to conquer evil and save their world. They were like minded, determined as a group and to each other had great friendship and loyalty. It could be a picture of our SALT fellowship today. There is a fellowship hymn that we occasionally sing, *"Blest Be the Tie That Binds"*.

*"Blest be the tie that binds our hearts in Christian love,
The fellowship of kindred minds is like to that above."*

Believers have a very special bond and no other comes as close. We have friends that are dear, but for the Believer our love is so much greater. I see that love and friendship each time we meet. Folks chatting, friends getting caught up and just experiencing a general sense of happiness and joy. The difference for the Believer is that our friendships are eternal.

We enjoy lunch together, one of the most common signs of fellowship of the early church. If you have fellowshiped with us you will know that we almost have to pull the fire alarm to get folks quiet! They just love each other.

Serving is another way we share in the fellowship. With a joyful heart many folks spend time preparing for the

meetings. Others serve in clean up. We jointly serve the Lord by assisting in local ministries. Our folks are dedicated to the work of the Lord.

On the most personal level when one of us is sick or in need, SALT responds. What a heart our folks have for our brothers and sisters. Not a week passes that someone is not serving by helping those in need.

Lastly, we just have FUN! Our meetings are full of laughter and joy. This is such a blessing to share.

If you have not been actively participating in SALT, you are missing out. If you think that our meetings are a bunch of "old folk gettin' together", you are mistaken. You need SALT's encouragement and fellowship. God's people love being together.

Hebrews states, *"And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching."*

SALT does all of the above! Be sure to join us this summer for our fellowship gatherings. Become an active part of this ministry!
