SALT Lunch Menu October 15 - Noon

Please bring a food item
that corresponds to the
first letter of your last
name.

A-E Proteins
(Meats, Cheese dishes, etc.)
F-L Salads
M-R Vegetables
S-Z Desserts

SALT Monthly Meeting October 15 - Noon

“Preparing and Mobilizing the Church for Disaster Response”

Have you ever
witnessed a disaster
on the news or
online and felt in
your heart, “I wish I
knew how to help!”
If you have, you are
not alone. For this
very sense of
heartfelt compassion

represents the love and compassion of our Lord and
savior Jesus Christ and His body, the church.

Come and explore how you and your church can prepare
and respond to the needs of those affected by disasters.
The church is uniquely positioned and gifted to lift the
name of Christ and meet the practical needs of its
members and community through His love.

Responding to disasters requires diverse gifts, like any
other work of the church. Come and learn how your
gifts can make all the difference in Disaster Response.

Russell Long, the Briarwood Disaster Relief
Coordinator, will be joining us and sharing how we can
become involved in partnering with the Mission to
North America Disaster Relief Organization.

ENCOURAGEMENT

Bob and Mary Alice Kenley

Greetings to our SALT buddies! We have weathered yet another hot Southern summer and are looking forward to cooler days. We have visions of drinking morning coffee on the porch, short walks in the early evenings, watching college football with friends and family, and cheering on our grands in college and high school. Add to that holiday preparations, and it begins to be a pretty busy time for us as older Christians who love to serve.

How do you see your role as a senior adult in our church and community?

First and foremost, we should set an example of faithful church membership and attendance. While it's true we sometimes have issues that keep us from gathering, we have the privilege of watching online. Additionally, involvement in one of our many study opportunities broadens our friend groups and provides more one-on-one communication.

It is our privilege and responsibility to be the group that steadies the ship for the next generation in times of particular challenges. Even in the community, we can set an example of steadfast trust in the God we've served so long.

We have found great joy in serving in ministries where our skills can be used. We love to greet before services, and we enjoy visiting those in hospitals or unable to get out.

We are blessed to have a church that loves God and loves people. Let us be the example to those coming after us of the importance of being active in our church as opportunities present themselves. We think not of passing the torch, but of making certain our torches are burning brightly enough for the next generation to light their torches off ours.

We love a scripture about where we are in our lives: "They will still bear fruit in old age; they will stay full of sap and very green." Psalm 92:14. Let's be green and sappy together!

Happy Fall, Y'all!

Bob and Mary Alice Kenley
