IT TAKES A VILLAGE.

VBS simply wouldn't have happened without our incredible 110+ Connectors! From painting, to prepping Bible studies, to leading worship, each one played a vital role. Thank you to our Connectors for making this week unforgettable! Their creativity, joy, and heart for the next generation helped build a space where faith could grow and friendships could flourish. God moved in big ways throughout Village family!

AND LASTLY... THANK YOU

Thank you for sending your children to VBS! We are so thankful you trusted us to serve your family! It was a joy to learn, laugh, and grow in faith together. Your support made this week truly special for both the Connectors and the children!

DROP OFF & PICK UP

PICK-UP

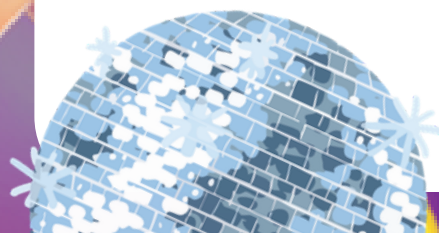

Doors will open for Pick-Up at 12:10 PM. For the safety of the children in the building, we ask parents to wait until this time to enter the building.

If you need to pick up your child early, please do so before 11:45 AM.

Parents will enter through the Welcome Center Entrance and take an immediate right. Parents will form a line starting at the Worship Center doors, along the hallway, where they will wait for pick up to commence at 12:15 PM. **Please do not enter the Worship Center until prompted.** Our team will be standing at the Worship Center Entrance and will announce your child's (or children's) name. You will enter the Worship Center and exit with your child(ren) using the doors on the south side of the Worship Center (to your right upon entering). As you are leaving, our team will be checking that your parent pick-up tag matches the code on your child's name tag. Please be sure to have them ready as you are exiting, but do not leave your parent tag with us. Your child's name tag will be dropped in a bucket upon leaving (to be picked up the next morning at check-in).

***We recommend taking a picture of your parent pick-up tag and sharing it with anyone else who will be picking up your child. Please do not share your tag with anyone who is not authorized to pick up your child.**
