**Here in this worn and weary land Where many a dream has died
Like a tree planted by the water We never will run dry**

**So living water flowing through God we thirst for more of You
Fill our hearts and flood our souls With one desire**

**Just to know You and to make You known
We lift Your name on high
Shine like the sun make darkness run and hide
We know we were made for so much more Than ordinary lives
It's time for us to more than just survive We were made to thrive**

**Into Your Word we're digging deep To know our Father's heart
Into the world we're reaching out To show them who You are**
