We're looking forward to a special week together!

ATTENTION!

SUMMER SESSION OPT OUT

As we approach the end of our current school year, we would like to begin planning for our upcoming summer session, which runs June 1 through July 31.

If your child will continue attending during the summer session, no action is required. We will automatically continue enrollment and draft the monthly tuition payment at the beginning of each month.

If you plan to opt out of the summer session, please notify us in writing no later than April 15. Upon receiving your notice, we will discontinue your monthly tuition draft for the months indicated.

We appreciate your prompt attention to this matter, as it helps us ensure proper staffing and classroom planning for the summer months.
