Notes and News

Children's Week at the Capitol

Through engaging, educational experiences, Children's Week Florida partners with organizations statewide to remind our leaders that every child deserves to thrive. As the largest event in the state focused on children and families, it brings together legislators, advocates, educators, business leaders, and families each year during the legislative session at the State Capitol to strengthen Florida's communities.

Each of our classes participated in the Celebration of the Hands: art designed to be a daily reminder to legislators and visitors during Children's Week, that the future of our children rests in their hands!

Additionally, our VPK class had the opportunity to walk to the Capitol and take part in this exciting program!

ATTENTION!

Donuts with Dad

Dads, please make plans to join us for a fun drop off THIS Friday, March 6th from 9-9:30am. We'll meet on the playground and share coffee and donuts with you as a way to celebrate our amazing families! We only have space for one adult per child, but if dad can't make it and there is another special adult in your child's life, just reach out and we would be happy to include them!
