## Notes and News

### Wrapping up the year!

I can't believe we're already starting to wrap up the school year—it has truly flown by! We've had such a sweet year full of growth, learning, and lots of fun moments with your children.

A quick update—our enrollment for both summer and fall is set, and we're ready to roll! We do have a few rare openings left in our PK3 class for the fall, so if you know a family with a 2.5–3-year-old, feel free to send them our way—we'd love to have them join us.

We're also looking forward to all the fun that summer will bring with a more relaxed pace and lots of play. And of course, we're so excited to celebrate our VPK graduates as they get ready for kindergarten—such a special milestone!

On a personal note, thank you all so much for your support and encouragement this year as I've stepped into the director role. It has meant more than you know. Our school truly wouldn't be what it is without our amazing families, and I'm so grateful for each of you.

## ATTENTION!

### Immunization and Health Forms

Parents: Please remember that whenever your child attends a doctor's appointment, you should request an updated immunization record and health form. Many of our students' forms will expire over the summer, and we will need updated copies as soon as your child returns in the fall. Thank you for helping us stay up to date!

### School will be closed!

We always close to students for one week between the school year and the beginning of our summer session. This year we will be closed Monday, May 25<sup>th</sup> - Friday, May 29<sup>th</sup> to allow for cleaning, maintenance, and training purposes.

## What's New

### Legacy Bricks for Sale

We're excited to launch a special brick ordering fundraiser to support our preschool community! Families and friends can purchase engraved bricks that will become a lasting part of our campus while helping us raise funds. Proceeds will go directly toward supporting our wonderful staff and enhancing our classrooms with updated rugs and other materials that benefit our students every day. Thank you for being a part of this meaningful project! Order forms are attached.
