"Our mission is to provide an accurate, fair and cost-effective appraisal roll while maintaining high levels of transparency and giving industry leading customer service to the consumers of our data and services."

July 16, 2026

To: M106 - Williamson
County Municipal Utility
District No. 35,

This year's certification packet has been updated to include the new HB9 exemption for business personal property as part of the rate calculation process. We have also added the median homestead value for posting purposes.

We continue to make improvements to streamline the certification documents by including all necessary fields and labels to make the rate calculation process as efficient and user-friendly as possible. If you have suggestions for future revisions or enhancements, please contact Jessica Miller or me. We appreciate your feedback and will consider any recommendations that may improve the process.

If you have any questions regarding the certification documents, please feel free to contact Jessica Miller at Jessicam@wcad.org.

With kindest regards,

Alvin Lankford, RPA, CCA, CAE, AAS
