He Has Done Great Things!

Revelation 21

22 And I saw no temple in the city,
For its temple is the Lord God
the Almighty and the Lamb.

Revelation 21

²³ And the city has no need
of sun or moon to shine on it,
for the glory of God gives it light,
and its lamp is the Lamb.

Revelation 21

24 By its light will the nations walk,
and the kings of the earth
will bring their glory into it,

Revelation 21

²⁵ and its gates will never be shut by day—and there will be no night there.

²⁶ They will bring into it the glory and the honor of the nations.

The image features a view of the Earth from space, showing the Americas and parts of Europe and Africa. Overlaid on this is a dense grid of small, identical human faces, creating a mosaic effect. The faces are arranged in a way that they appear to be looking out from the surface of the planet. The text "Jesus Is Our New Humanity" is written in a white, cursive font across the lower portion of the image.

SYRIA, MIDDLE EAST

SYRIANS

DISCOVER THE PEOPLE

- Population: 26.5 million people
- Location: Middle East
- Language: Arabic
- Cultural Gifts: Warm hospitality, rich cuisine, ancient heritage, traditional music and poetry, skilled craftsmanship, and strong community traditions.

DISCOVER GOD'S STORY

After years of war, loss, and displacement, Syrian churches continue to serve their communities with food, shelter, compassion, and the message of Jesus. Recent reports tell of people from different religious backgrounds becoming open to the gospel and encountering God's love through local Christians. Even amid uncertainty and hardship, the church remains a witness of hope, reconciliation, and God's faithful love.

AN ECB CONNECTION STORY

How good and pleasant it is when God's people live together in unity!"
Psalm 133:1

I was born in Damascus to a Palestinian father and Syrian mother, and Syrian culture, food, and hospitality have always been part of my life. When I came to Bangkok, I wanted to share the authentic flavors of Syria through shawarma. Growing up in Syria, I saw Christians and Muslims living as neighbors, sharing celebrations and respecting one another's traditions. That is why preparing shawarma for a church celebration is meaningful to me. Through this food, I hope to share not only a taste of Syria, but also its warmth, hospitality, and tradition of bringing people together. For this special occasion, I want to make my very best shawarma, a small piece of Syria shared with the ECB community.

PRAY FOR THE PEOPLE

Peace & Healing: Pray for lasting peace and healing after years of war and displacement.
Hope in Jesus: Pray that Syrians searching for hope will encounter the love and truth of Jesus.
Courage & Protection: Pray for Syrian Christians to remain strong and faithfully serve their communities.
Restoration: Pray for families, communities, and churches to be restored and for Syrians living abroad to find hope and belonging.

The image shows a view of the Earth from space, centered on the Asian continent. The planet's surface is covered with a dense, repeating grid of small, identical human faces. The faces are arranged in a way that they appear to be looking out from the landscape, with their heads positioned over the landmasses and their bodies extending into the oceans. The overall effect is a visual representation of global unity and the shared humanity of all people on the planet. The text "Jesus Is Our New Humanity" is written in a white, cursive font across the bottom of the image.
