HOLY GHOST STORIES

Houston Church | Small Group Guide | October 2026

WEEK 1 - THE RISING | SUNDAY, 10/4

Who is he?

OPENING QUESTIONS

• What's something you've tried to assemble that almost got the best of you? How did it turn out?

• What's the most harmless, ridiculous thing you believed as a kid? Who finally set you straight?

GROUP QUESTIONS

1. When you hear "Holy Spirit," what comes to mind first? That could be something you were taught, an experience, or a question you've always had.

2. How do you usually respond when something doesn't have an easy explanation - investigate it, dismiss it, ask someone, or leave it alone?

Read Ezekiel 37:1-14; John 14:16-17 in the NLT.

3. The bones come together before they come to life. Where do we tend to confuse having everything in place with actually being healthy or alive?

4. Jesus describes the Holy Spirit as an Advocate who will live within his people. What changes when you think of him as a Person you can know?

5. What makes it difficult to be available to God when his answer might interrupt your plans? Where do you recognize that tension in your own life?

6. What would "Holy Spirit, I'm here. I'm listening. I'm available" look like in one specific part of your week?

PRAYER FOCUS Ask for openness to the Holy Spirit and the life we cannot manufacture.
