WEEK 2 - THE VANISHING | SUNDAY, 10/11

Where is he?

OPENING QUESTIONS

• If you could bring back one place from your childhood exactly as it was, what would you choose? What made it great?

• What ordinary place instantly improves your mood? A hardware store, someone's kitchen, the beach, Target - make your case.

GROUP QUESTIONS

1. Have you ever returned somewhere expecting it to feel the same, but it didn't? What had changed - the place, the people, or you?

2. Where does it feel easiest for you to think about God? Where does it feel least natural?

Read 1 Kings 8:10-11; Acts 2:1-4; 1 Corinthians 6:19 in the NLT.

Briefly recap Ezekiel's vision of God's glory departing the temple.

3. What stands out about the movement from God's presence filling a temple to his Spirit dwelling within people? What does that suggest about an ordinary believer's life?

4. When have you mistaken "I don't feel close to God" for "God must be far away"? What helps you navigate that difference?

5. If you believed the Holy Spirit was present with you during an ordinary Tuesday, what might change about how you treated people, handled pressure, or made decisions?

6. Choose one ordinary place you'll enter this week. What could you do there differently because you're becoming aware of God's presence?

PRAYER FOCUS Ask for awareness of his presence in the places we usually overlook.
