

ROBINSON GRESSEAU

MISSIONARY TO HAITI

April, 2023

Dear Prayer Partner,

Greetings to you in the name of our Savior the Lord Jesus Christ, the Kings of Kings, the Lord of lords.

Gratitude

First, I would like to start by saying thank you so very much for praying for us during the difficult time we have been experiencing for the last month. The remaining four captives were released after twenty-nine days. I give thanks to the Lord for answering our prayer. Teaching at the college

I have the privilege of teaching Baptist History at our church college this semester, for two hours, three times a week. It's a class that will help them to understand that the reason why they are Baptist is not because of the name or because someone brought them to a Baptist church, but rather, because of the doctrine. Their doctrine defines them as Baptists. We have many so-called Baptist churches in Haiti, but sadly, they are so far away from the Baptist doctrine. Please pray for our college students as we are training for the next generation to come, if the Lord tarries his coming.

Prayer request

Pray for our college students to be saved if they are not. Some of them come to the college but have no idea about being born again. We have four of them so far who have trusted Christ as personal Savior at the college. Pray that they can be grounded in the word of God, so that He can use them for the work of the ministry.

A big burden in my heart.

God has recently placed a heavy burden in my heart for a large group of lost people who come to a hospital to get medical help. I see 300 to 500 patients every single day waiting in line to be seen. They are such a needy people, but I believe the greatest need for these people is not medical need but spiritual.

They need to hear and believe the gospel so that their precious souls can be saved from the devil's hell.

I am asking you please help me to get 10,000 gospel tracts in Haitian Creole, 10 scripture signs with Creole Bible verses on them, some polo shirts or T-shirts with Haitian Creole Bible verses on them, and a sound system to amplify the sound when we preach on the street. If you cannot help us with this project, please pray for us.

Traveling

Lastly, Lord willing, I will be going to the States this month for a couple of weeks. The purpose of this trip is to go to the eye doctor and to attend a conference in Lawrence Indiana.

For His Service,
