

Training Acknowledgment

I acknowledge that I have completed the **Iglesia de Amor Children's Ministry Child Protection & Safety Training**.

I understand that I am responsible for following all child protection, safety, check-in/check-out, restroom, supervision, emergency, incident reporting, confidentiality, appropriate touch, photography/media, and conduct procedures as outlined in the Children's Ministry Manual and onboarding materials.

I understand that the required ministry agreements are combined into one document called the **Children's Ministry Expectations and Agreement**, and that I am responsible for following the expectations and procedures described in that agreement.

I understand that child safety must always come before convenience, personal preference, or rushing through ministry responsibilities.
