Building Project fundraising ideas: Do you know of a business, foundation, or charitable organization that might be interested in giving towards our building project? If so, helpful community connection letters are available underneath the church mailboxes. A QR code on the letter will take you to the church website, where you will find more details on the project and directions to the giving platform. Thank you!

Our church has been blessed with lots of young children! See Emily if you are able to help fill the need for more Sunday School teachers and helpers.

If you have an announcement or prayer request for the phone tree, please contact Donna Harnly or Pastor Lew.
