ABOUT NIGHT TO SHINE

The Tim Tebow Foundation has a great passion for people with special needs, and in 2014 we launched Night to Shine with a simple vision... work with churches around the country to provide an incredible prom night experience, centered on God's love, for people with special needs.

When someone hears that they are loved and that they have a purpose, it can change everything! People with disabilities are often not provided with the same opportunities for celebration as their peers. Our prayer is that Night to Shine is not just a night of celebration but a night when people with disabilities experience God's love and understand their value and worth as His image-bearers.

What began with 44 churches from 26 states and 3 countries, by God's blessing, has become a worldwide movement that is changing Valentine's Day from simply a celebration of love to a celebration of God's love by honoring people with special needs and the value of life. It's a night not only for our guests to shine, but for churches to shine, for volunteers to shine, and most importantly, for Christ to shine.

Although each event is a little different, some cornerstone activities found worldwide included in Night to Shine are a red carpet entrance complete with a warm welcome from a friendly crowd and paparazzi, limousine rides, karaoke, gifts, a catered meal, a Respite Room for parents and caretakers, a Sensory Room, and, of course, dancing! The highlight of the night comes when every honored guest is crowned a king or queen, receiving their very own crown or tiara!

Through God's blessing and your involvement, Night to Shine will bless even more people with special needs around the globe! We are so grateful to be able to work with churches from around the world and are thrilled that your church is one of them! As a host church, you will receive a unique Night to Shine Event Kit, personalized guidance from the Tim Tebow Foundation staff and much more.

This comprehensive packet outlines the elements we feel are essential to a successful and enjoyable event. It is our hope that this celebration will not only bless your guests, but also provide opportunities for ministry and fellowship in the future.

Thank you so much for joining us in this worldwide movement celebrating God's love for people with special needs!

“In the same way, let your light *Shine* before others, so that they may see your good works and give glory to your Father who is in heaven.”
