

NOTABLE NEWS

Official Statement

May 13, 2026

Our hearts are with all those impacted by the recent events surrounding the conviction and sentencing of our former Neighbors to Nations Church pastor, Jeffrey Charles.

As a church, we took these allegations very seriously when they arose, more than 15 years ago, and at all times have cooperated with the law enforcement investigation and actions.

Our thoughts and prayers continue to go out to those individuals, families, and former members of Neighbors to Nations Church, as well as current members of Souls Church, who have likewise been affected by the actions of Jeffrey Charles.

We will continue to pray for everyone involved in this difficult time and season.

Dennis & Dana Calhoun
