MISSION

Under God's direction, The mission of Women in Motion Flags Ministry is to reach, encourage, and uplift women through expressive worship, prayer, and creative movement. In harmony with the church's established structure, the Women in Motion Flags Ministry also functions as a natural funneling and developmental space for dancers transitioning into adult ministry, ensuring continuity, growth, and a lifelong pathway of worship through movement.

The ministry seeks to:

- Create a welcoming and safe space for women to encounter God
- Offer opportunities for healing, encouragement, and renewal
- Foster spiritual growth and faith development
- Cultivate fellowship and meaningful relationships
- Connect women to Christ, the church, and one another

Scriptural structure: "Let them praise His name with the dance.." — *Psalms 149:3*

Supplemental supporting scriptures: *1 Thessalonians 5:11; Matthew 18:20*

VISION
