

KNOX
PRESBYTERIAN CHURCH

Wedding HANDBOOK

Getting Started

We are excited to help you prepare for your special day. It will help us assist you if you will take the time to read this entire booklet. Always feel free to contact the pastor's assistant or one of the pastor's at (630) 355-8181.

Choosing the Date

Contact the pastor's assistant to determine if the date is available so it can be included on the Master Calendar. Contact one of Knox's pastors to see if he/she is available to officiate and provide premarital counseling.

Choosing to be Married in the Church

Marriage is a gift God has given to all humankind for the well-being of the entire human family. Marriage is a civil contract between two people. For Christians, marriage is a covenant through which two persons are called to live out together before God their lives of discipleship. In a service of Christian marriage, a lifelong commitment is made by them to each other, publicly witnessed and acknowledged by the community of faith.

We believe that a Christian marriage is supported in the larger context of belonging to a church family. This means regularly attending worship, serving others, growing in faith and building up one another in love.

By having a church wedding with a minister officiating, we understand that you are both looking forward to a marriage blessed by God and sustained by the Holy Spirit within the Body of Christ – the Church.

Important Facts

- At least one of you must be a baptized Christian.
- At least one of you should be a member of Knox or the child of a Knox member.
- Knox performs a blessing ceremony if you were married in a civil ceremony and have decided to also add a religious celebration.
- It is essential to contact one of Knox's pastors before your wedding is scheduled. One of the current pastors must agree to officiate the wedding. All weddings taking place on Knox property are approved by the governing board of Knox.
- A guest pastor also may participate at the invitation of a Knox pastor and with the approval of the Session.
- If you are working with a wedding planner, please ask her/him to contact the pastor as soon as possible. In matters pertaining to the worship service, the pastor has final authority.
- We provide a Sound Technician, a Custodian and a Wedding Hostess for the rehearsal and the wedding. (See fee schedule.)
- We do not allow the use of the screens during the service.
- Alcoholic beverages are not allowed on the premises at any time.
- Smoking is only allowed outside the building.

Pre-Marital Counseling

You will be asked to attend at least three pre-marital counseling sessions with the officiating minister. These sessions will provide the opportunity to get better acquainted with the pastor, discuss the meaning of Christian marriage, consider a variety of issues which couples face today, and to complete the planning of your wedding ceremony. At the end of the counseling sessions, the pastor will determine whether he/she can responsibly conduct the marriage ceremony or if further counseling is necessary.

In addition to the required meetings with one of Knox's pastors, we highly recommend that couples participate in the "WALK IN LOVE: A Marriage Prep Workshop for Busy People" online course. These workshops are offered via Zoom, led by Rev. Danae M. Ashley, M.Div., M.A., LMFT using the *Prepare-Enrich* program. Information and registration can be found at <https://www.soulspaseattle.com/pre-marital>

Prior to the Wedding

- Complete the registration form and return it to church.
- Complete 3 pre-marital counseling sessions.
- Contact Knox's organist/accompanist.
- Talk with Knox's Wedding Hostesses.
- Obtain a wedding license.
- Pay church fees two weeks prior to wedding date.
- Attend wedding rehearsal with wedding party.

Planning the Ceremony?

Now that you have contacted one of Knox's ministers to perform the ceremony and confirmed that date with the church office, consider the elements of the wedding service.

Scriptures and a Message

A brief message by the minister and scripture reading will be a part of each wedding performed in the church. You may select the scripture readings with the guidance of the minister. They may be read by members of the wedding party, family, or clergy.

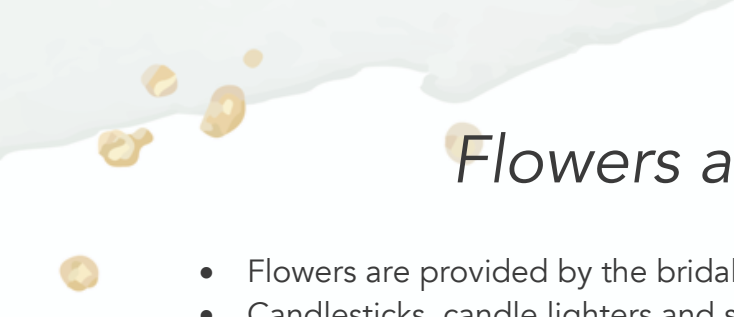

Music Arrangements

Organists are available to help make musical suggestions. Please contact the church for more information or discuss this with the officiating pastor. Vocalists, instrumental solos, and ensembles also may be used. All music selected for the wedding must be suitable for a worship service, reflecting the church setting as well as you, the couple.

Important Questions

- Who will participate in our service?
- Who will be in our wedding party?
- How do we wish to recognize the families?
- Will we have a unity candle?
- Service Length is approximately 30 minutes long.
- Sanctuary seating capacity is 572. There are 12 pews directly flanking the center aisle. Access for the physically handicapped is available.

The officiating pastor will finalize all the elements of the service with you.

Flowers and Decorations

- Flowers are provided by the bridal party.
- Candlesticks, candle lighters and snuffers are available for use but may only be used with our permanent candles.
- A simple holder and hurricane are available for use with a unity candle.
- Pew bows must be secured with rubber bands.

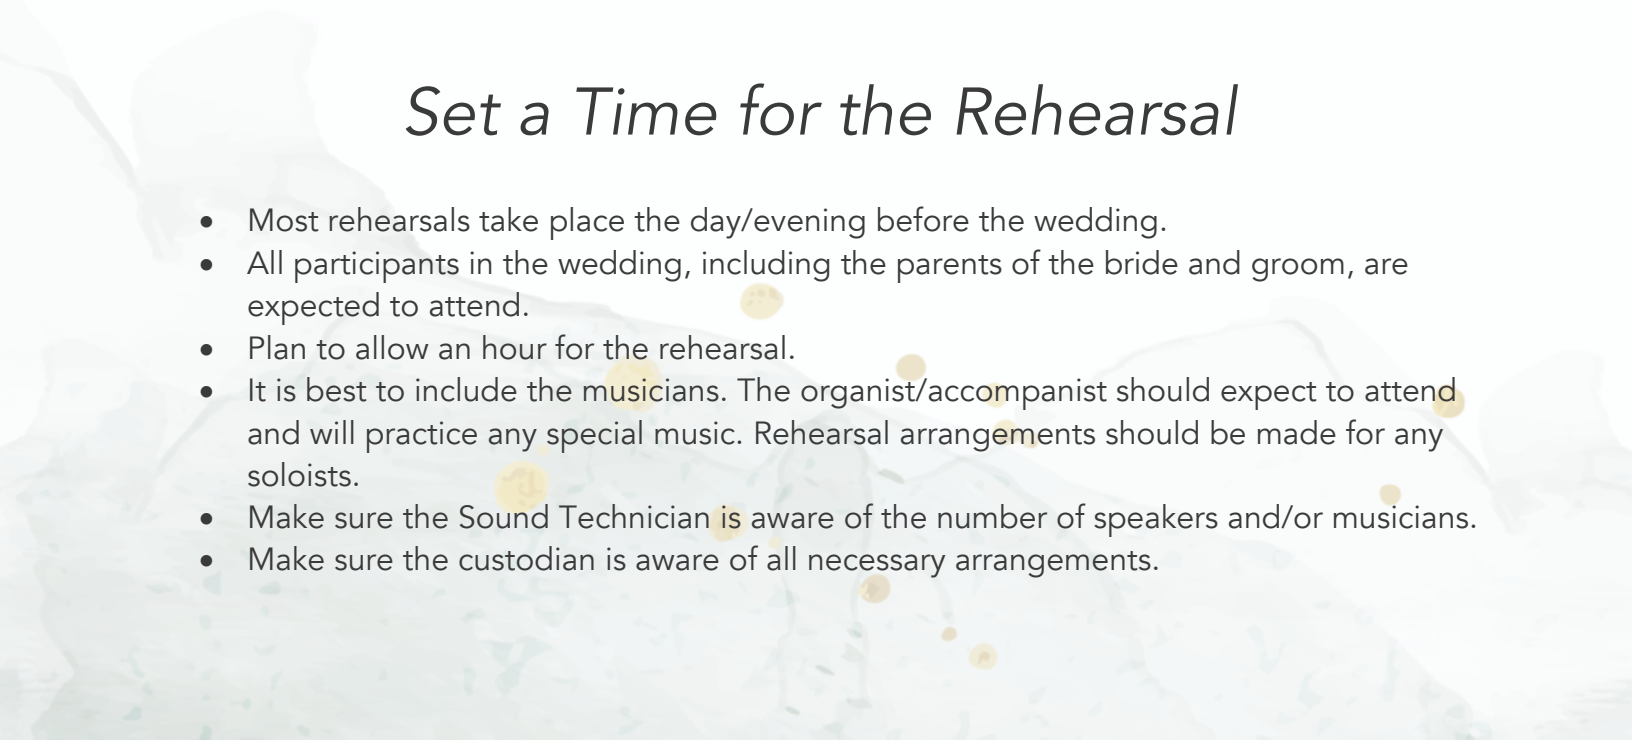

Knox Does Not Allow

- Wax candles in brass holders.
- The use of an aisle runner due to safety concerns.
- Live rose petals, only silk.
- Alcohol anywhere on the premises.
- Any drink (except water) or food in the sanctuary.

All details will be finalized with the help of your officiating pastor and wedding hostess.

Wedding Hostess

You will be assigned a hostess who will contact you prior to the wedding. Two hostesses will attend the rehearsal and be available during the ceremony. (A hostess is not a coordinator or planner, but rather a church representative.)

Set a Time for the Rehearsal

- Most rehearsals take place the day/evening before the wedding.
- All participants in the wedding, including the parents of the bride and groom, are expected to attend.
- Plan to allow an hour for the rehearsal.
- It is best to include the musicians. The organist/accompanist should expect to attend and will practice any special music. Rehearsal arrangements should be made for any soloists.
- Make sure the Sound Technician is aware of the number of speakers and/or musicians.
- Make sure the custodian is aware of all necessary arrangements.

The Ceremony

Getting Dressed

Knox has facilities for the bridal party to dress at the church. Please let the wedding hostess and pastor know what time you would like to arrive at the church. On the day of the wedding, you may arrive at church two hours before your wedding. The church may be used up to four hours. This will give you plenty of time for preparing, taking photos and the ceremony.

Photography

Because a wedding is a worship service first and foremost, professional photography must respect these guidelines:

- Professional photography and videotaping are allowed during the ceremony but should not be distracting or disruptive.
- Flash pictures are not allowed during the ceremony.
- The photographer must remain at the back of the sanctuary during the service and rely on a telephoto lens.
- The photographer may photograph the bridal party members as they begin down the aisle.

Please share this information with your photographer before the wedding day and ask him/her to meet with the officiating pastor upon arriving at Knox the day of the ceremony.

After the Ceremony

A Receiving Line is optional. Should you decide to receive guests after the ceremony, decide in advance who will be in the line. Ask your wedding hostess for the best location.

- This is a good time to have your photos restaged in the sanctuary.
- Bubbles are acceptable outside the church.
- Members of the congregation may hold receptions in the church. Information about the use of the kitchen and other rooms may be obtained from the church office.

Don't Forget the Marriage License!

- It is your responsibility to obtain a marriage license.
- Illinois law requires that a marriage license be obtained in DuPage County in advance of a ceremony at Knox Presbyterian Church.
- Bring your license to the church prior to the wedding.
- In the case of prior divorce:
 - Proof of divorce will be required if it was in the last six months. You must know day, month, and year of divorce, as well as county and state where the divorce took place.
- Parents and a certified birth certificate must accompany anyone under 18 years of age.
- The pastor who officiates will complete the license and send it to the DuPage County Clerk's office.

A one-day waiting period is required for the marriage license, which expires in 60 days. Application may be made at the Du Page County Clerk's Office, 421 N. County Farm Road, Wheaton, IL 60187.

The hours are 8:00 am—4:30 pm, Monday—Friday.
The cost is \$35.
