Fred's Kids

Marindi Grace Academy provides education for children from some of the poorest communities in Migori.

Who We Are

Fred's Kids is a Christian nonprofit ministry supporting the work of Pastor Fred Otieno in Migori, Kenya. Through Marindi Grace Academy, local churches, and community outreach, the ministry brings hope to vulnerable children, orphans, widows, and families facing difficult circumstances.

Our Mission

Fred's Kids seeks to be the hands and feet of Jesus by meeting physical and spiritual needs. The ministry supports Marindi Grace Academy, providing educational opportunities for children who might otherwise be unable to attend school. It also helps provide meals, clean water, and essential resources while supporting local pastors, church planting, and evangelism.

Our Partnership

Fellowship North partners with Pastor Fred and Fred's Kids in sharing God's love across the world. Our church family has welcomed Pastor Fred to share about the ministry and has helped purchase much needed supplies and helped replace items that were taken in a break-in.

Through prayer and generosity, we have the privilege of participating in God's work in Kenya.

Our Partnership Doesn't End at Christmas.
