Season of Giving

One Family. Many Ways to Share God's Love.

Immerse

Who We Are

Immerse Arkansas is a nonprofit ministry serving young people who have experienced foster care, homelessness, abuse, neglect, and other difficult circumstances. Through caring relationships and practical support, Immerse provides a place where young people can experience belonging, stability, and hope for the future.

Our Mission

Immerse's mission is to transform youth from crisis into overcomers. Rather than simply addressing immediate needs, Immerse surrounds young people with supportive relationships and the tools to build healthy, independent lives.

Through The OC Youth Center, The Station Youth Shelter, and its transitional living programs, Immerse provides meals, safe shelter, mentoring, life skills training, educational support, and opportunities for personal growth.

Our Partnership

Fellowship North partners with Immerse Arkansas to help meet the practical needs of young people facing difficult circumstances. Fellowship North supports Immerse monthly as a way of meeting immediate and long-term needs.

Our generosity is another way we demonstrate that every person deserves to be known, valued, and cared for.

Our Partnership Doesn't End at Christmas.

How We Can Help

Practical Care. Lasting Hope.

Something as simple as a snack, a warm meal, or personal hygiene supplies can make a meaningful difference for a young person experiencing crisis.

This Season of Giving, Fellowship North is collecting much-needed items to help Immerse Arkansas care for the young people it serves.

When and Where

Choose a few items from the list and bring them to Fellowship North's Season of Giving collection area.

Your generosity helps provide practical care while Immerse staff and volunteers build relationships that bring encouragement, stability, and hope.

How to Pray

Pray for young people experiencing homelessness, trauma, or uncertainty. Pray that they find safety, meaningful relationships, healing, and the confidence to build a hopeful future.
