Season of Giving

One Family. Many Ways to Share God's Love.

Palacagüina Christian Academy (PCA)

Who We Are

Palacagüina Christian Academy (PCA) is a bilingual Christian school located in Palacagüina, Nicaragua. Founded in 2017, PCA provides children with quality education rooted in Christian values, helping them develop academically, personally, socially, and spiritually.

Our Mission

PCA's vision is to change a generation through biblically based, bilingual education. By combining academic excellence, English-language instruction, and Christian teaching, the school equips children with knowledge, character, and opportunities for a brighter future.

PCA also works alongside families to encourage students to reach their God-given potential and positively impact their communities.

Our Partnership

Fellowship North is recognized as one of PCA's ministry partners. Through this relationship, our church family joins others in supporting educational opportunities and sharing God's love with children and families in Nicaragua.

Together, we participate in a mission that seeks to strengthen families, develop future leaders, and make a lasting difference in the next generation.

Our Partnership Doesn't End at Christmas.
