Season of Giving

One Family . Many Ways to Share God's Love.

STEP Ministries

STEP reports that 93% of the young people involved in its programs graduate from high school.

Who We Are

STEP Ministries is a Christ-centered ministry serving children and teens in under-resourced neighborhoods throughout Little Rock and North Little Rock. Through consistent, caring relationships with Christian volunteers, STEP helps young people experience encouragement, belonging, and hope for the future.

Our Mission

STEP's mission is "to empower people through Jesus Christ to step in, step up, and step out."

Throughout the year, volunteers build one-on-one relationships through mentoring, tutoring, and in-school encouragement. These programs support young people academically, emotionally, and spiritually while pointing them toward the hope of the Gospel.

Our Partnership

Fellowship North is one of STEP Ministries' church partners. Larry Clary represents Fellowship North on STEP's board, helping strengthen our ongoing relationship.

Fellowship North also supports STEP through human and financial resources. Fellowship North has several members mentoring students throughout the year, serving as Encouragers and Encourager coordinators as well as providing monthly financial donations.

Our Partnership Doesn't End at Christmas.
