Season of Giving

One Family . Many Ways to Share God's Love.

The CALL

534 children are currently in foster care in Pulaski County.

Who We Are

The CALL is a faith-based nonprofit that brings churches together to care for children and teenagers in Arkansas's foster care system. Founded in 2007, The CALL helps children find safe, loving foster and adoptive families within their own communities.

Our Mission

The CALL's mission is to educate, equip, and encourage the Christian community to provide a future and a hope for children in foster care.

Working alongside Arkansas's Division of Children and Family Services, The CALL recruits, trains, and supports foster and adoptive families. Through its support centers, it also provides practical resources and opportunities for biological families to maintain connections with their children.

Our Partnership

Fellowship North supports The CALL through monthly financial contributions, helping sustain its year-round ministry to vulnerable children and families.

Our partnership reflects our commitment to caring for others as God's family and supporting those who open their hearts and homes to children in need.

Our Partnership Doesn't End at Christmas.
