## KNOW GOD

Our greatest desire is that you come to know God! This is your most important step!

## FIND FREEDOM

Once you know your Creator, it's time to find freedom from the world and everything that could be holding you back.

## DISCOVER PURPOSE

From there, discovering your God given purpose is the New Step to your best life yet!

## MAKE A DIFFERENCE

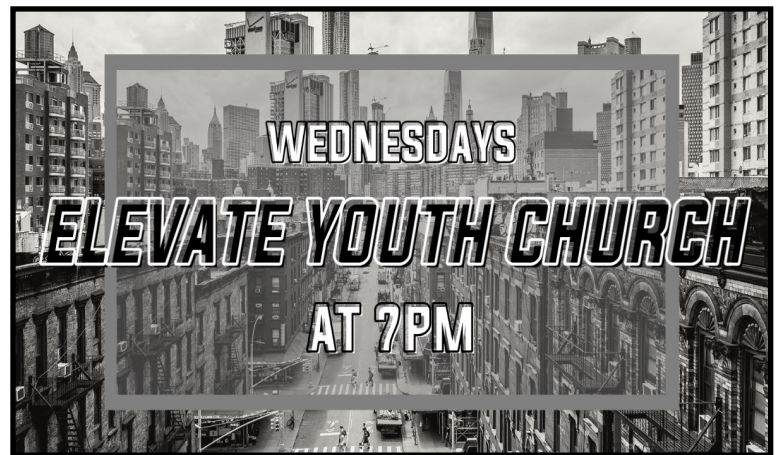

All of this so that we can be empowered to make a real difference in our world for the Glory of God!  
This is what it's all about!

Harvest Church of Southeast Texas is a multi-cultural non-denominational church serving the Southeast Texas region. For 20+ years, led by Pastor's Gary & Karen Marshall, we have watched God do incredible things in and through Harvest Church, in our local community and surrounding region.  
All built on fundamental truths only found in the word of God.
