

Beyond Church Prophetic Words

It seems that for God's plans to come forth, He goes into our future and brings us THE WORD necessary - the word that must be proclaimed in order to get us to where we are to be on His good path for our lives.

1 Timothy 1:18

This charge and admonition I commit in trust to you, [Beyond Church], in accordance with prophetic intimations which I formerly received concerning you, so that inspired and aided by them you may wage the good warfare, AMP

So [Beyond Church], my sons and daughters, I am entrusting you with this responsibility, in keeping with the very first prophecies that were spoken over your life, and are now in the process of fulfillment in this great work of ministry, in keeping with the prophecies spoken over you. With this encouragement use your prophecies as weapons as you wage spiritual warfare by faith TPT

- **Denny Beavers**

I had you guys on my heart and prayed for you this morning when the Holy Ghost came on me. I'm telling you I saw an explosion of growth taking place in your church!! This is bigger than you think!!! Get ready because you are going to see an explosion!!

- **Billy Jo Watts**

There will be LARGE gifts coming into this ministry. \$10,000, \$15,000, \$20,000, even \$50,000 gifts!!

- **Pastor Lynette Hagin**

"I'm just so excited!! Sooooo so excited and if you could see what I see you'd be excited too. I tell you there is an explosion coming to this church!! And it shall come to pass. It shall come to pass!"

- **Marty Blackwelder, November 2006**

The devil's a liar you know...

It's a good thing going on around here. God is in the House. The blessing of God is upon this people and in this place. All that had been spoken – the desire and the plan of God will be consummated and fulfilled. Every person doing their part, every person in their place, finishing their course and running their race. And the light this place will be, men will look and they will see that the blessing of the Lord is upon thee. They shall come from the north, south, east and west because they'll know this is the place where they can be blessed! By the Word and the Spirit too, flowing mightily within and through you. A place of refreshing, whew!!!

- **Paul Brady - January 2009**

And I have enough in me right now to say this church is not raised up just for Alma. It's going to be one of those places that may be in a town of 5 or 6 thousand and people will say, how can they have a church that big in such a small place? It's because it's a pulling place. It's been placed here but it's pulling. It's pulling from the north, it's pulling from the south, it's pulling from the east, and it's pulling from the west. The boundaries. So strong. So strong. I tell you, get ready, get ready, get ready. This place is about to explode. It's about to explode. I know. I can feel it. I can feel it. It's about to explode. Don't shrink back from it. Embrace it with boldness and confidence. It's a good day and it's a day that the Lord has brought about. Hahahahaha and we will rejoice and be glad about it.

(Rejoicing!!!) It's about to burst. Hallelujah. And I charge you, people of this church, those things – those evil things that tried to hold those gates shut – you enforce it at the leading of the Holy Spirit – those gates stay open! They are opened and no man can shut them. That's just the way it is. You know churches have territories. You just increased yours! And that's just the way it is.

- **Jeremy Pearsons - March 2011**

Father, in the Name of Jesus, I come into agreement right now with the pastors of this church, with Nate and Evan and their family and the believers that fill these chairs. I thank you, Lord, for every life represented in here, and by faith in You and faith in the Word, and faith in the Lord Jesus Christ, I declare over every one of them for them to be strong, be courageous, and be bold in the Lord Jesus Christ. I rebuke loneliness, I rebuke discouragement, I rebuke fear in Jesus' Name, and you get out of their lives, now and forever. And in Jesus' Name, you **be bold!** You **be bold** about your future! You **be bold** about your calling. You **be strong** about what the Lord has equipped you to do and don't you ever be afraid of it ever again for your entire life! You step up to your future not with uncertainty, but with absolute certainty in the Word of God that He will do for you what He said He would do! He is for you and not against you! He is with you always and you have a God who loves you! I declare that over you now, in Jesus' Name!

Word of the Lord : "Ask them on My behalf if they will do me a favor . . . don't quit!"

Don't quit your marriage. There might be somebody in here tonight and you are right on the edge of that. Don't quit that. It's been tough, it's been hard, but don't you quit. Don't you quit. Endure. You hold on to the Love of God. You walk in the Love of God. You make His Love the boundaries in which you exist and refuse to yield to the flesh. Choose instead to yield to the Spirit of God in you and you will walk in love with him or with her. And you refuse to quit. Don't throw away your boldness; this thing is about to turn out right. Don't quit that job He assigned you to, don't quit that church He assigned you to, don't you quit.

- **Marty Blackwelder to Pastors and BC – 11/13/11**

It is a new day. It's a new time. It's a new season for you. And I see an open door, and you're going through. And through that door is blessing and favor and peace, and a supply of the spirit to you and upon you, and your influence shall increase. **And the church shall prosper and its influence expand. And the work of God within this house shall be spoken of throughout the land, and many shall be touched by God's goodness, His love, His grace. And the hand of the Lord shall rest mightily upon this people and this place.**

(To those serving in the church) I have assembled you in this season, and I have set each one of you in your designated place. And I have anointed you by my spirit, and I have endowed you with my grace to walk with and beside these pastors to uphold them in their place. And so, side by side, hand in hand, diligently run this race. And the plan of God will be consummated, and His purpose will be fulfilled, and your hearts will be glad. And great fruit will abound as you accomplish His will.

- **Jeremy Pearsons 10/15** - There's a new place coming. That will be the next step in this. A bigger, better place where you can reach this community and this city. People from all over the place...north, south, east, and west will come in and call it home. God can use people who believe all things are possible and you are that people. Look for the vision in everything you do. Provision for the vision.

- **Sarah Pearsons 10/15** - Psalm 23/ Habakkuk 2

Shortage is not a money problem. It's a soul problem. Without vision the people perish away. You are coming out of a season that you've been in and your soul has been heavy or weary and your vision has been dumbed down and belittled. The Lord is walking before you and leading you into a wide open green pasture that there is plenty of food, plenty of grass to eat. Plenty of peace. You're coming into a season of rest and peace. And in that place He is able to restore your soul. In that place we are able to see. See way out beyond where we are in this spot. Lift up your eyes!! Write the vision and make it plain. Everyone in staff and leadership write the vision and make it plain. Put it all over this place. You don't see it in your eyes, you see it in the eyes of faith. Put up those scriptures. Every picture that looks like it. As you do this God is going to lead you into a green open pasture. I keep seeing it as an actual piece of land. I know it. You want the land right on time. God's perfect timing. You don't want it ahead of time. You don't want it behind. Right on time. Though you wait for it, don't be concerned. It will come right on time. That land, the green pasture and wide open field is going to come right on time. You may think we've just done all of this to our building...what are you talking about land and a new place? The truth is you have to see it long before. Plant the seeds. It's working and growing and developing. Then all of these years of seeing it, believing, and then you'll be together and see the goodness of the Lord. This morning I saw this green pasture and the land.

- **Mark and Trina Hankins, 2017**

Brother Mark: For in this season and in this time, the Spirit of the Lord shall come upon you and shall work in you with a fresh anointing. And this shall increase and there will be a double measure and a greater measure of the Spirit of God that shall work in your life. So as you desire and hunger and thirst, as you yield to the Holy Spirit, for He knows the things and the plans that He has for your life and He will bring those things to pass. He will empower you for this time. He will show you with visions and He will show you in the realm of revelation so that your steps and the doors and opportunities and the things that God has planned for your life, He will bring those things to pass. So do not resist, but yield to the Holy Spirit. Be filled with the Holy Spirit. Be filled again and again and He will bring those things to pass, even the things that the Father God has desired for you, things that the Lord Himself has planned for you.

He will bring those things to pass and He will do it in an unusual way, in a marvelous way that will have you saying “glory to God!” And you’ll give praise unto God and you’ll say, “Look what the Lord has done,” for He’s taken you in a time of your own limitations and lifted you out into a place of larger things. Increase beyond what you can do naturally, but it’s not by your power, but it’s by My Spirit saith the Lord. So yield to the Holy Spirit and be filled for I know the things that I have planned for you, saith the Lord. And the Holy Spirit will cause you to know the things that I’ve planned for you and you’ll walk in those steps and walk and go through those doors. And you’ll fulfill and finish what I have called you to do. So be filled with the Holy Spirit for He will empower you for such a time as this.

Brother Mark: For these are things that have been prepared and planned for you for many years. For I called you even before you were born, saith the Lord, and My hand has been upon your life. And the enemy has tried to destroy you time and time again to stop you. But My will has prevailed and My plan will prevail. So the Spirit of God shall come upon you to bring you into the next phase of what I have called you to do and the anointing shall rest upon you. So be filled with the Holy Ghost and a fresh fire shall burn. And things that have limited you will fall off like chains, and will be broken off from you. And things that have hindered you, they shall have to be taken out of the way and removed. And you’ll lift up your voice in the morning and lift up your voice in the evening in magnifying the Lord and the Spirit of God shall flow through you like a mighty river. So you’ll speak the Word of God with a greater revelation and a greater boldness. The anointing of the Holy Ghost shall strengthen you for such a time as this. For you could not do it in your own strength, but My Spirit shall strengthen you for this hour. And the enemy’s plans and strategies shall be stopped and shall even be put to flight and you’ll go forward in the goodness and the mercy and the blessing of the Lord. So yield to the Holy Spirit and He’ll saturate you, and a fresh fire shall burn in your heart. And a fresh anointing shall come upon you. Oh, and you will follow the Lord with all of your heart in this season, and say, “oh, Lord, all You have called me to do, I want everything that You have planned for me!” And the gifts and the callings of God, they shall come forth in great clarity. And you’ll take steps and you’ll walk in those things that He has prepared for you. And you will laugh in the face of the enemy and say “haha, satan! What you meant to destroy me, it has been stopped and now the mercy of God and the grace of

God has prevailed!” So rejoice and be filled with the Spirit. For this is a time of a fresh anointing and that’s why the enemy would try to stop you in this hour. But, no, you will go forward and enjoy the blessing of the Lord. And you will rejoice in the goodness of God. So be filled with the Spirit. Be filled again! And be filled again! And be filled again! And be filled and saturated until you overflow. For the presence of the Lord and the goodness of God shall fill you in this hour.

Brother Mark: And in this church and in this ministry, I am talking to the Pastor and to his wife and those that are a part of this ministry, that the plans that I have for this church and this ministry are much larger than your own plans. And this will be a place of launching. That there will be gifts and callings of God that will come forth in this place. And the presence of God and the fire and the glory of God shall burn in this place. And men and women, young and old, shall be launched out to follow the Lord and to follow the plan of God for their life, free from fear of what people may think, full of the Holy Ghost and the fire of God. So that you’ll launch people out into preaching and teaching the gospel and to not only here in America, but into other nations and to other countries. That the hand of the Lord is upon this house. That this is a place of holy ground. This is a place of fire. This is a place of the Word of God will grow, multiply, and the anointing of the Holy Spirit and the Word of the Lord and the revelation knowledge that shall flow in this place of the teaching and the preaching of the Word of God. That it shall be a sign and a wonder in this generation of a place of the presence of God. So you’ll move up. You’ve worked in this one phase, and now you’ll move up into a greater influence and a greater faith of what I have called you to do. So the fire of God shall burn in you and you’ll be changed and the people who attend here will almost be able to look and say, “Well, the things are different now.” Change. The word shall come forth with a greater authority and a greater anointing. And the presence of God at times will sweep into this place, like the wind will blow in this place, and the glory of God will fill the place. And visitors cannot even explain it, but they know the glory and the presence of God in this house.

And it will be a little different from other churches, but it will be a place of the glory and the fire of God. **And so now in this season and in this time, HAHAHA, the increase of God, the increase of the Word, the increase of the Holy Spirit, the hand of the Lord resting upon you. For this hour, for this time, the spirit of wisdom and revelation, the anointing, HAHAHA, launching men and women, young and old, into the harvest, into the fields in this hour. HAHAHA! Every meeting shall be a place of the presence and the glory of God. And people you haven’t even met yet shall come to hear the Word for it will go far and wide. Go around this place. And you will launch out into the deep and let down your nets and the nets will reach out further. And there will be a catch, a greater catch that will come in. And you’ll teach the way of the Lord more accurately to those who have not learned. The way of the Spirit and the way of faith shall be made clear. HAHAHA! And people will come from far and near and they will be launched from here, from this place and will serve the Lord and will follow the design, the destiny that God has for their life. And that shall be ignited, the gifts and the callings shall be ignited in**

this house. And the Word of God shall grow and it shall multiply in this house. You'll say, this is an unusual place. What kind of a place is this? Ah, this is a place of My presence, saith the Lord. This is a place of My Word, this is a place of My Spirit, and this is a place of My fire. And the glory of God shall be in manifestation. And the goodness of God and the blessing of the Lord shall multiply. And you'll laugh and you'll rejoice, and you'll say "it's like a dream coming to pass beyond what I could have ever thought" for I am able to do exceeding abundantly above all you can ask, more than you can even think according to My power that works in you. So a fresh anointing comes upon you in this hour and in this time, hahahaha, and the destiny of this house shall become clear. And the hand of the Lord and the candle, the fire, shall burn in this house. And the glory of God and the goodness of God and the presence of the Lord shall be seen in manifestation.

I will allow the Lord Jesus Christ, if you've been saved and washed in His Blood, but I will allow the Lord Jesus Christ, the head of the church, to set me in my place in the body of Christ to minister and to serve as He desires and as He chooses. Not desiring my own glory or that my own name or ministry would be magnified. But that the name of Jesus would be magnified and I will be a blessing, I will be a blessing. I will serve in this generation according to the will of God.

Ms. Trina to Pastors: And you will stand at the entrance to some holy paths that are ancient. Paths of faith that are eternal. And you'll show people the way to walk in these paths. I just see you beckoning and showing them simply and their lives will be forever changed. Oh, for you know those paths and you know how they go. And you know how to get in them. And I just see you beckoning and people coming in and walking on those ancient paths of faith.

Brother Mark: And upon My sons and My daughters, they shall prophesy. Sons and daughters. The men and the women will be used mightily to prophesy and to speak the word of the Lord. And the Hand of the Lord shall rest upon you. And from this night, it will seem as though a double portion of the Holy Spirit has come upon you for this season and for this hour. And shall launch you out into a greater measure of what I've called you to do, saith the Lord. For I knew you and I called you even before you were born. And so now you'll enter into a greater phase of what I've called you to do. (Tongues as he prays over Pastors) and the spirit of wisdom and revelation in the knowledge of God. And the eyes of your understanding will be flooded with light. So you'll be able to feed My sheep and feed My lambs, saith the Lord. And you'll walk more accurately in what I have called you to do. Hahaha. And a greater boldness and confidence coming upon you for such a time as this. The spirit of the Lord upon you. The anointing upon you for such a time as this. And I will reveal Myself to you saith the Lord and I'll show you things you've never seen before. And I'll lead you in paths you've never been before. But I'm not just leading you for your sake, I am leading you because you will lead others. (tongues) And the supply of the spirit, the supply of the Holy Spirit,

the supply in your inner man of the Holy Spirit that shall increase and it shall grow in glory of God. (laughter) You'll say, "we're like those that dream. Our mouth is filled with laughter! We're like those that dream! Hahahah! It's like a dream of the goodness of God! And satisfied in His presence! Like a dream coming to pass of the goodness of God."

Glory. Glory. Heavy. Heavy. The glory. Heavy like a coat. Heavy like a coat. Heavy. A coat. Clothed with anointing. Wear it. Wear it. And don't let any man despise your youth. Don't let any man despise your youth. You wear that coat. (Mark laughs and laughs) I'll grant you access into My presence, and I'll instruct you in the way that you should go. We are like those that dream! Our mouths are filled with laughter! Hahahah! And the heathen will say, "the Lord's done great things for them!" and we'll say, "the Lord's done great things for us and we are glad! We're glad!" It is His goodness, it is His mercy. I drink from His presence and the river flows hahahah The river flows hahaha. . . . The river flows out to those who are thirsty. The river flows and many shall drink.

- **Marty Blackwelder, January 2018**

There's a lot of things ahead for us in this coming year. God knows the plans that He has for us says the Lord. Plans to prosper us and not to harm us. To give us a future and a hope. He knows where He wants to take us, what He wants to do in our lives, but He knows what is going to become a reality. We've got to have a close-knit relationship. We're going to have to stay close this year, abide in the vine, put first things first. Now, I hear the Holy Spirit saying, and I direct this toward your Pastors because I do believe it is for them, but I also open it up by the Spirit of God to others because I believe it pertains to others as well. So, if it's for you, you just receive it. Amen?

But, I hear the Holy Ghost saying, plans, purposes, designated paths. Things that have been arranged, orchestrated, designed by my Spirit, things that I have prepared and made ready for you to walk in and receive. So just keep moving forward and don't fear it for that which you've seen in your heart, your desires and that which you've had a vision of and that which you have set your faith upon, it shall now not only come into view but it will come into fruition. But there are steps that must be taken. There are pieces of the puzzle that must be properly placed. And once these things have been accomplished, then things will move quickly, and that which is hindered will be supernaturally erased. So, listen carefully now to my Spirit in the days ahead and I will give you plans, ideas, direction and you will be successfully led in the apprehension of this season and all that it holds. And as this wisdom and direction comes then you just step out in faith and be bold. And so shall the plan and the vision be consummated and fulfilled. And your hearts will be glad. People will be blessed and the Father will be glorified in its fulfillment.

- **Marty Blackwelder, January 2019**

There are still lands to conquer. God has some big plans, you got some big steps ahead of you as a people as a church. And guess what? They're going to come to pass. If you and I will stay in agreement with God and let our yes we can and yes we will be our final word. Because I hear the Holy Ghost speaking right now, all that has been spoken, all that has been pre determined in the mind of God and decreed, it will all come into fruition with supernatural ability and supernatural speed. For that which would have taken years to accomplish I see the time will be compressed and things will come to fruition more quickly and the church will be supernaturally blessed. So get ready to possess the fullness of the land that I have prepared declares God and rise up and declare and decree as Joshua and Caleb did so many years ago. YES WE CAN! YES WE WILL! Because God has declared it so!

- **Marty Blackwelder, March 2020**

I just hear the Holy Ghost saying, through the years, you've made steady progression toward the advancement of the vision that's been set before you. And even though, at times, from a natural perspective perhaps, that progression or forward momentum may have appeared to vacillate, know this: You are in perfect alignment and harmony with my times and seasons.

As you well know, foundations take time to formulate and to solidify before the fullness of a building can be erected upon it. So you've been in a season of solidification, redirection in some areas, but also assessing where you are, where you're going.

But be confident of this: I will perfect that which concerns you and this body of believers, and I will bring to full fruition the vision, the plan and the purpose. Even though from a natural perspective sometimes things seem impossible, that's My specialty saith God. Making impossible things possible.

So be confident and continue to move forward with a sense of expectation, anticipation, an internal confidence that all that has been spoken, decreed, declared, prophesied, prayed for and envisioned in the heart, it will come to pass. And your hearts will be glad. And the hearts of those who are with you and walk beside you will likewise be glad. And the impact of this mission, this ministry, this church will continue to increase not only in this city and in this region, but around the world, saith the Lord. Oh Hallelujah, Amen!

- **Pastor Nate, September 2020**

Seasons are changing. Are you aware?

Change is coming. Change is here.

And so there are new patterns for you to walk in and do.

Don't discern with only your eyes or you won't have a clue.

You see, this season is brand new.

I have arranged this season from the beginning of time.

Harvest season is here (here),

but you must pick up the sickle and the spear.

Make the declaration: "I will not be taken out,

but I am moving with and partnered with what He is about."

There is, in this season, a strength from within
and so it is set and begins.
Partner with My promises as you walk each day,
you will recognize them as a substance that establishes your way.
The reality of your partner will continue to increase
and carry with it supernatural peace.
So pause in this place and make a note,
it's time for you to get out of the boat.
My Word will be there loud and clear.
It will be undeniable that I am near.
My directions are not burdensome or more than you can bear.
They are precious gems entrusted to you,
Priceless, valuable and rare.
Put them up high and on display.
They will keep you and establish you in My way.
The assembly I have designed and called you to be apart
Operates and functions when you yield to the heart.
Don't be filled with care because of this and that
I've known this season and where you are at
Honor My Word as it is a must
For you to dwell in the place of great trust.
There is joy ahead for My people, I say
Days of fulfillment because you have consecrated your way.
Don't be distracted or pulled aside
Don't be ashamed or convinced to hide.
Stand tall and be bold so others can see
It won't be long before you are with Me.

- **Marty Blackwelder, January 2022**

The gathering of the saints is drawing near, so open your hearts, be attentive and hear. Because the race you're running, it carries eternal glory and weight, and your reward will be waiting the day you enter heaven's gate.
So lay aside every encumbrance. Keep your affection on things above. Keep your heart with all diligence and walk in a spirit of love. And run your race with great passion and zeal and determined intent. And the day you stand before Me, you'll be found faithful, and you'll have apprehended that for which you were born. That for which you were sent.
And so keep your eyes upon Me intently in the days ahead. And listen carefully to My Spirit, and endeavor to be led - so that your steps might be ordered and your path might be secure. Fight the good fight of faith. Be steadfast and endure. And so shall you be awarded with a crown of righteousness on that day, and when you look upon the face of Him Who redeemed you, you'll hear Him say, "Well done. Well done my daughter, well done my son. Well done."

It's important we keep the proper perspective. Precious in the eyes of the Lord are the death of the saints. Because it isn't death at all. It's a transition. It's a coming home. It's a victory won. And the glories of this realm that I've prepared for you, it can't be fully realized or comprehended until you pass through the veil. From the place where you live to the one in which I dwell, where death has been defeated and life and peace prevail. And so with joy, anticipate the reunion of that day when the trumpet will sound and the angel will shout and you'll be caught away to the realms of glory. A place that is void of sorrow, void of fear. Where All my righteous ones and your departed loved ones are waiting for you here. And oh the joy and rejoicing. Your heart will overflow. But until that day, saith the Lord, keep running your race faithfully and joyfully as you go.

- **Pastor Nate, September 2023**

So I want you to know. I want to work with you. I want to work with you in all that you do. Everywhere you go; every step you take a new flow, and it's with Me. A new song. A song of rejoicing. A song of victory. A song of I AM Who I AM, and I will be Who I will be. Bring Me into what you thought was impossible, and you will hold a new understanding of Who I AM. More than words on a page, or words from this pulpit. You will hold; you will know a Rhema Word where I pull back the covers, and unveil to you Who I AM.

- **Joseph Morris, November 2024**

It's almost like a blueprint will be given to you. Not only will the speed of it take a whole new level, but the implementation of it will. It will be so different and so wild, you'll go, "I would have never have thought in all my life it could be done like this." That's how unusual it'll be. It'll be so unusual, you'll shake your head and go, "Lord are you serious about this?"

So some wonderful things are coming. It's really things that you cried out from your own heart. I can hear you saying those things to the Lord, "Lord if we'll do this, if we'll give it our all and push that hard, what will You do to back it?" And the Lord wants me to tell you that He'll back it! He'll back it, and you watch - it'll be not just with signs and wonders, not just with divers miracles, but with families on fire for God, the glory of the Lord on children, the glory of the Lord on the youth.

- **Joab Fischer, August 2025**

I declare over this church, the calling of this church Father, ooh hallelujah. Something like a new season coming to this church. To take a step higher in this influence in the region and to be bolder to declare what you've called this church to declare. Almost like a holding back. The devil wants to take over this region. But this church is in the way. And it stands even stronger and brighter and instead of the devil taking over this city, the Kingdom of God takes over this city. In Jesus Name. Hallelujah!
