Lesson #1 - God called Moses to lead the Exodus.

Text: Exodus 3:7-8a "And the Lord said: "I have surely seen the oppression of My people who are in Egypt, and have heard their cry because of their taskmasters, for I know their sorrows. So, I have come down to deliver them out of the hand of the Egyptians."

Read: Exodus 3:1-17.

Devotional:

Steven was on the playground during recess when he saw some children treating a smaller boy badly. And it really bothered him. So, he went to people he trusted and asked them what he should do.

Well, the people he trusted told him he should tell the playground monitors or his teacher what he saw.

But Steven was concerned the people who had bullied the smaller boy might find out and want to treat him badly as well.

Well, then one of the people he had gone to for advice on what to do told him a story about Moses.

Moses was a man who came into contact with God. And the Lord told Moses that he had been chosen to go to Egypt and to free the people of Israel from the Egyptians who had been holding them in bondage and had forced them to serve them as slaves for a very long time.

Well, Moses felt very inadequate to be able to stand up to Egypt. After all, Egypt was an extremely powerful nation at the time. So, he thought his life would be in grave danger if he stood up to them.

Moses even asked the Lord many questions about how he would be able to free the people. And even after the Lord gave him answers, Moses still felt very inadequate and was still very much afraid to stand up to Egypt.

Thoughts from the Lesson:

Moses had to learn the Lord was faithful and promised He would be with Him and help him be completely successful over Egypt.

Questions for Application:

- Do we trust the Lord when we're afraid?
- Are we willing to do whatever the Lord asks us to do?
- Do we think the Lord can take care of us when he leads us?

Lesson #2 - God performed many miracles thru Moses.

Text: Exodus 8:20b-21a - "Then say to him, 'Thus says the Lord: "Let My people go, that they may serve Me. Or else, if you will not let My people go, behold, I will send swarms of flies on you and your servants, on your people and into your houses."

Read: Exodus 8:20-32 & highlights from Exodus 7-10.

Devotional:

Janie was in a new history class for the year. The teacher who led the class, loved to talk about people throughout history who'd done really great things. And he really enjoyed talking with the students, about people who were known for doing great feats in history.

Well, one day the teacher asked the students to write about a person they thought had done amazing things in their lives. So, Janie decided to write about Moses.

Janie wrote about the long list of miracles Moses performed on behalf of the Lord. For example, Moses had been used of God to turn water into blood and how he made a tremendous number of frogs and gnats and flies and locusts appear in the land of Egypt. There was the time Moses called on God to make the land of Egypt very dark without the presence of the sun for a few days. And he even caused hail to fall from the sky to fall on the land of Egypt.

Well, Janie also noted how much she hated it when flies don't leave her alone. But the thought of flies being on everything in her home, like her bed and kitchen and bathroom was nasty to her.

Well, the Lord helped Moses do all these things to punish the Egyptians for the way they treated the people of Israel.

Thoughts from the Lesson:

We need to know God can use anyone to perform miracles if He chooses to and the servant is willing to be used of the Lord.

Questions for Application:

- Do we desire to be used of the Lord?
- Do we believe God can use anyone to perform miracle if they are willing to trust the Lord for anything?
- Did we know Moses remained very humble even when the Lord used him to perform all these miracles?

Lesson #3 - God caused the exodus with the Passover.

Text: Exodus 11:1 - "And the Lord said to Moses, "I will bring one more plague on Pharaoh and on Egypt. Afterward he will let you go from here. When he lets you go, he will surely drive you out of here altogether."

Read: Exodus 11.

Devotional:

Patrick had made a mistake by going along with some children who decided to do damage to a building at their school. After getting caught, he was about to be disciplined by his teacher and principal.

So, as he was telling his mom what he'd done, he also mentioned to her how he wished the school would simply pass over his mistake and let him go without being punished.

Well, that was when his mom told him about the first Passover in Egypt. The Lord had Moses tell the people of Israel to get a lamb on the 10th day of the 1st month of the year and to hold it until the 14th day. And those 4 days were a time to ensure the lamb had no defects. Then each family was to kill their lamb and to take its blood and paint it onto the top of as well as the sides of their door as a protection for the home so a plague the Lord was bringing would pass over them. You see, the Lord was about to bring a plague through Egypt and any door that had blood on it would not suffer greatly from the plague.

Well, Patrick told his mom he wanted the Lord to pass over his mistake and not be punished. And his mom said that the Lord is ready to forgive anyone who has put their faith in Jesus because Jesus lived a perfect life and had shed his blood for everyone's sins.

Thoughts from the Lesson:

Jesus lived a perfect life and we have not. So, we must put our faith and trust in Jesus. And if we do the Lord will forgive us and will pass over our sins.

Questions for Application:

- Did we know Jesus never sinned so He could be a perfect sacrifice for us?
- Do we know Jesus died for us to forgive us of our sins?
- Have we put our faith and trust in Jesus for what He's done?

Lesson #4 - God brought Israel thru the Red Sea.

Text: Exodus 14:21 - "Then Moses stretched out his hand over the sea; and the Lord caused the sea to go back by a strong east wind all that night, and made the sea into dry land, and the waters were divided."

Read: Exodus 14:10-31.

Devotional:

Henry was playing a game of ball tag with his friends when he realized he had gotten himself into a corner of the playground where there was no way of escape from his friends and he sure thought they were about to get him.

Well, that was when he remembered the story of Moses when he helped free Israel from their bondage in Egypt.

The Lord led Israel to freedom, but they'd travelled a route that had them pinned in with nowhere to go. They had a narrow passage behind them and the Red Sea in front of them. And, worse yet, the Egyptians were coming to attack them through the narrow route they'd just travelled. So, they were stuck and panicking.

But that was when Moses prayed to the Lord. And the Lord told Moses to lift his staff over the Red Sea, and he and Israel would get to see the amazing power of God,

And that whole night the Lord held back the forces of Egypt with fire and caused a great wind to push back the water of the Red Sea and to hold up what looked like walls of water. The land at the bottom of the sea even dried up for the people of Israel to walk through.

Thoughts from the Lesson:

Well, the people walked through the dry land to safety and water closed on the Egyptian soldiers as they pursued Israel. The Lord provided a way out of where there had been no way.

Questions for Application:

- Do we believe God can do ANYTHING?
- Have we ever seen the Lord do something we didn't realize was possible?
- Have we thanked the Lord for making it possible for us to be forgiven of our sins and to give us life?

Lesson #5 - God used Moses to give the law to Israel.

Text: Exodus 20:2-3 - "I am the Lord your God, who brought you out of the land of Egypt, out of the house of bondage. 'You shall have no other gods before Me.'"

Read: Exodus 20:1-17.

Devotional:

Juliette was at her Sunday school class and talked about how the Lord gave the Law of Moses to the people of Israel so they would realize they need a Savior they could put their faith in to be saved.

Her Sunday school teacher also told her the Lord gave that Law of Moses to Moses for the nation of Israel for three reasons.

Reason #1 was so that the people would look at the laws and realize they did not keep them all, making them sinners. She said Romans 3:20 says, "Therefore by the deeds of the law no flesh will be justified in His sight, for by the law is the knowledge of sin."

So, she said the law helps people realize they're sinners.

Reason #2 was so that the people would realize they deserve to be punished for their sins. She then said Romans 4:14-15 says, "For if those who are of the law are heirs, faith is made void and the promise made of no effect, because the law brings about wrath; for where there is no law there is no transgression."

So, she said we all seem to know we deserve judgment.

Reason #3 was so that the people would realize they need a perfect Savior to come along and to live a perfect life for them and to then die to pay the penalty we deserve to pay. She then said John 3:16 says, "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life."

So, she said we have a Savior in Jesus who can give us life.

Thoughts from the Lesson:

God went to great trouble to help us see our need for Jesus.

Questions for Application:

- Do we know and have we admitted we are sinners?
- Did we know we deserve to be punished for our sin?
- Have we put our faith in Jesus for forgiveness and sins?
