

MONTHLY REPORT

A fraternal greeting, dear brothers.

General data

Hello, brothers. The weather across the country has changed and is now very sunny. This has been of great benefit, as it has considerably reduced flu and has allowed us to better develop our work.

Work:

- 1) During this month we had a study with Don Olman and Adilia.
- 2) Present 1 sermon in the day's service on "The Word as the Only Rule of Faith."
- 3) In the evening service I presented 2 sermons.
- 4) I taught 4 classes from the book of Genesis on Mondays.
- 5) I had 4 studies from the book of Acts on Sundays.
- 6) I gave 2 devotionals in the prayer time that we do on Fridays.
- 7) I am working on learning new songs with the brothers every Monday.
- 8) On the last Saturday of the month we had the bimonthly marriage meeting, where I gave a lesson on the biblical marriage model.

Special situations

1. The work with the World Bible School: usually everything remains the same, but a new student has contacted and is still an active person, we hope we can keep in touch better.
2. On April 9 of this month I turned 39 years old, thank God.
3. During this month, Brother Diego and I began working on the podcast project. The idea of this project is to offer short videos that respond to biblical questions.
4. Unfortunately at the end of this month I received a message from Doña Adilia, where she told me that her sister would move to their house for a while, her sister is a nun, for this reason for a while they do not want me to go to give them more studies.
5. This last week we received good news from the siblings Alejandro and Leila who went to the area of Gresia, apparently 2 of their children made the decision to be baptized, this makes us happy, it shows the work of the Lord in their lives.
6. During this month on average we gather around 30 people every Sunday.

"Let us run patiently the race that is set before us, with our eyes fixed on Jesus."
(Hebrews 12:1)
