A New Season of Joy

World Mission Europe
September 2026

We are very thankful to share that we are enjoying this new season of life with our daughter, Eleonora Rose, who is now two months old! Both Eleonora and Arine are doing really well, and we are very grateful for God's care and blessings over our family. It has been a joyful and special time as we get to know our little girl.

Things have also been encouraging at the church in Antwerp. The new families who have joined us and the people who were recently baptized have brought new energy and encouragement to our church family. It has been a joy to see them become more involved, and there is also important follow-up work as we continue building relationships and helping one another grow in faith and in our walk with Christ.

We were also thankful to be part of the annual Family Day at Camp, where churches of Christ from across the Dutch-speaking congregations come together. It was a wonderful opportunity to spend time with brothers and sisters from other congregations and enjoy fellowship together.

Meanwhile, preparations for IGNITE 2027 have begun! We are starting promoting the event again across Europe and are excited to see what God will do through IGNITE in the coming year. It has already been encouraging to see young people from different countries starting to connect and interact with each other through the IGNITE app this year.

Thank you for continuing to pray for our family, the church in Antwerp, and IGNITE.
