As Iron Sharpens Iron

Back in the days when I was a youth minister, the youth group and I had this “fantastic” idea of helping some of our Church family out by raking leaves. We had heard of one family in need and realized that there may be more we could help if we offered it (or sometimes just showed up and did it).

There is a reason why I put “fantastic” in quotes. Even though we were all excited to help, not everyone in the youth group was excited about the work once they saw that raking leaves isn’t as easy as they had hoped. At the beginning of most yards, some would grumble and complain. They would say, “why isn’t so and so here with us?” “You aren’t doing it right!” “Why can’t I use the leaf blower and he can?” And so on...

Inevitably, as the yard became clear of leaves and grass began to be the main walking surface, the grumbling would diminish. Words of encouragement replaced the words of complaint. Words of accomplishment and hope became the modus operandi. We worked together as a team, even if we were in different areas of the property. Sometimes we even sang worship songs together around the piles of burning leaves. It was beautiful to witness us being the body of Christ together.

As a body of Christ, Church, we are called to encourage each other to love and good works. May we break through the walls of complaints and grumbling to raise our hands in worship as we work in His Kingdom!
