Giving – An Act of Worship

Christ's followers have received the most incredible gift imaginable in the love, grace and mercy of God... Because of this, when it comes to giving, strict percentages are a thing of the past and Christians do not live under the weight of obligation. Instead, Paul makes it clear that believers are to give generously and may enjoy a generous return. What is more, the attitude of the giver is more important than the size of the gift.

Giving is intended to be an act of worship – the believer's opportunity to respond to the extravagant grace and glory of God. God generously meets the needs of His people, both physical and spiritual. Giving is an opportunity for His people to use those gifts to return honor and glory to Him. Just as He was extravagant in His giving, so too Christ's followers have the opportunity to be extravagant in their gifts back to Him.

Our first TNT (Teen Night Together) of the summer kicks off on Thursday, May 28th. I am excited for another summer of memories, laughs, conversations, and moments that matter. We can't wait to jump back in!

Then, at the end of the month, we'll be heading to the second annual Renewed Youth Rally at the Brookline Church of Christ on May 30-31. Their theme this year is "That's Who I Praise!" with keynote speakers David Frazee and Caleb Eggleston, and New Reign returns to lead worship. If last year was any indication, this should be an incredible weekend of encouragement, worship, friendships, and spiritual growth. The cost is \$30, and I'd love for you to join us! Please let me know today if you plan on attending.

As always, I want to thank you for loving, encouraging, praying for, and investing in our young people! We truly believe God is doing meaningful things in this generation.

~ Zac
