The Church is People, Not a Building

"God is Love." – 1 John 4:8

The Bible defines fellowship as a deep, interdependent, Spirit-filled community. Fellowship is a community of Disciples of Jesus who genuinely share their lives and mission, rather than just attending a weekly service at a building. Fellowship is a direct representation of who God is.

God is not a building. The Father, Son and Holy Spirit reveal themselves to us as an interdependent, Spirit-filled community who genuinely share their lives in mission. We do not find them only in a building, they meet us everywhere, throughout all His creation.

As the people of God, being dearly loved children of God, *"we are being built together to become a dwelling in which God lives by His Spirit"* (Eph 2:22). We are no longer strangers who happen to meet in the same room of a specific building at a specific (and short) period of time for a weekly service. We are *"God's people and also members of His household"* (Eph 2:19).

The singing group AVB (if you don't know who they are, ask Jimmie) had a great skit in one of their albums. A Dad was telling his sons that it was time to go to church. One spoke up and said, "Dad, we can't go church...**because we are the Church!**"

Thank you Nathaniel, for covering class while Allie and I were at the Oasis Youth Minister's retreat, with over 40 other youth ministers. We get back just in time to go to our Church Family Retreat, and I am so pumped!! I hope if you're reading this you are with us at Camp Ozark! With that being said, the teen Bible class will meet with the other classes all together in the Auditorium Sunday. (Psst-it's not too late to join us this weekend! I really want you there! And I know others do too...)

Coming up: I need you to be thinking of some fun things we can do as the teen class for Trunk or Treat! This even includes dressing up as Bible characters and hiding in the woods to be found by our wagon train. Let the brainstorming begin and the Spirit move! See ya soon friends!
