

The TRC Bible Reading Plan

The TRC Bible Reading plan is to help our body be in God's word and, as you have time, to be helped in understanding and applying the Word through other resources:

- **Bible Project videos** – go to trinityreformedkirk.com/bible-reading-plan and look under “Other resources” (we love the ways these guys interpret the Biblical story but have some occasional differences – talk to pastors if you want to discuss)
- **A catcham** for each book of the Bible – also under “Other resources”
- **Other articles, books, and videos** that could be helpful for further study (feel free to suggest resources to our pastors) – also under “Other resources”

Alternative to this printout, the daily reading can be found in the TRC app in two places:

- There is a link to the this page under the Home tab titled TRC Bible Reading Plan
- You can also access the daily readings from the built in Bible in the app. At the bottom of the app, click on Bible, then Plan.

We would love for those who are using this plan to stay together on it to facilitate fellowship around what we are reading, so if you miss a day or two due to travel, stomach bug, or whatever, skip that reading or catch up so we can keep together in reading. Enjoy!
