AS YOU READ AND LISTEN, WE
ENCOURAGE YOU TO USE THE
S.O.A.P. METHOD OF WRITING
DOWN WHAT GOD IS SAYING TO
YOU THROUGH HIS WORD:

SCRIPTURE:

As you read the chapter for the day, find a verse or two that are meaningful to you and write them down.

OBSERVATION:

What is God pointing out in the verse(s) you found? What is God saying? What did you learn?

APPLICATION:

How can you make the verse(s) personal? What is something you can do today to apply it to your life?

PRAYER:

Write out a prayer to the Lord. Ask Him to help you with the application, to reveal more about the text, or to find ways to share what you are learning with others.

That's it! Start short. Keep it simple. Be consistent... and patient. God promises that those who seek will find. Faith comes by hearing, and hearing by the Word of God.

OUR AIM is to be a people who prioritize listening to and hearing from God.

OUR METHOD is to consistently meet Him in His Word.

The pace is steady, but doable! One chapter a day, five days a week (we take Saturday and Sunday off to leave some “grace space” to catch up if we miss a day or two). We intentionally set up the reading plan to include excerpts from each of the different sections of the Bible. The color key above is designed to highlight this ‘well rounded’ approach to our reading together.
