## DAY 2: YOU HAVE A PURPOSE NOW

### Read Ephesians 2:10

A lot of people ask: "What do you want to be when you grow up?" That can feel like a big question. But here's the truth: God already has a purpose for you right now. You don't have to wait to be older, smarter, or better. God made you for a purpose today. Your purpose isn't about doing something huge—it starts with simple things. Helping someone. Speaking truth. Those moments matter. God is the One growing you, one step at a time.

#### Fill in the blank:

"God can use me to \_\_\_\_\_ today."

## DAY 3: START WHERE YOU ARE

### Read 1 Timothy 4:12

It can be easy to think you're too young to make a difference. But God doesn't see it that way. Timothy was young, and God used him in big ways. Timothy didn't wait. He started where he was. You can do the same. You can help someone who's struggling. You can stand up for what's right. What is one thing you can do this week?

**At-Home Activity: Not sure where to begin? Ask someone at home: "Where do you see God using me right now?"**

**Write their answer:**

---

## DAY 4: GIFT DROP

### Read 1 Peter 4:10

Imagine someone handed you a wrapped gift, but you never opened it. That would be kind of weird, right? God has given you gifts too. Not in a box, but inside you. Your creativity. Your ability to help, lead, or encourage. But here's the thing: Gifts are meant to be used. God didn't give you gifts just for you. He gave them so you can help others and show His love. You don't have to be the best. You don't have to have it all figured out. God does the impossible. Just use what He gave you.

#### Fill in the blank:

"This week, I will use my gifts to \_\_\_\_\_."

**Don't leave your gift unopened—use it, and watch what God does!**

## Read Joshua 1:9

**Prayer: “Dear God, help me trust You more than myself. Give me courage to say yes when You lead me. Use my life to do what only You can do. In Jesus’ name. Amen.”**

Spend some time thinking about the question below and journal your thoughts or share them with a parent.
