Kindergarten Enrollment Options

When considering enrolling your child in Kindergarten, it's essential to explore your financial support options. Here's a breakdown of available assistance programs:

ESA (Education Savings Account):

ESA offers partial tuition coverage, allocating up to \$5000 per school year. However, please note that any remaining tuition, up to \$1500, will be the responsibility of the student, payable quarterly.

ACSTO (Arizona Christian School Tuition Organization):

ACSTO provides income-based scholarships, potentially covering the full tuition amount of \$6500. Nevertheless, the awarded sum may vary depending on income calculations. Similar to ESA, any outstanding tuition must be covered by the student quarterly.

ACSTO reassesses awards in October and at the beginning of each calendar year. If there's a deficit, ACSTO has the potential to cover the entire remaining amount. In such cases, students will receive reimbursement for any payments made up to that point.

Exploring these options can help ensure your child's educational journey is both enriching and financially feasible.
