A WORD FROM PASTOR O

Foundation Point,

As we launch this church newsletter, I want to take a moment to share something that's been on my heart.

When I think about Foundation Point Church, I don't just think about a building where we gather on Sundays. I think about the people. I think about the families, the relationships, the prayers, the challenges we've overcome, and the lives that God continues to transform.

One thing I want us to always remember is that we're not just coming to church; we're growing together as the Church. In Matthew 7:24–25, Jesus teaches us about the wise man who built his house upon a rock. When the rain came, the floods rose, and the winds blew, that house stood because it had a solid foundation.

That's what I desire for every person who calls Foundation Point Church home. I want us to be a people whose faith is strong enough to withstand life's storms. A people who don't just know about God but truly know Him. A people who love one another, serve faithfully, and allow the Word of God to shape how we live every day.

As your pastor, my heart is not simply to see our church grow in numbers, but to see each of us grow in our relationship with Jesus Christ. Because when we grow spiritually, our families become stronger, our relationships become healthier, and our influence in the community becomes greater.

So, as we begin this new chapter of staying connected through our newsletter, I want to encourage you to stay committed to your spiritual growth. Keep praying. Keep studying God's Word. Keep showing up for one another. And most importantly, keep building your life on Jesus Christ.
I'm grateful for each of you, and I'm excited about what God has ahead for our church family.

Remember, start, build, and finish with Jesus.
With love and appreciation,

Apostle Otis Robinson, Jr.
Lead Pastor | Foundation Point Church

FAITHFUL FINANCES

Biblical Wisdom. Financial Stewardship. Practical Living.

This section will offer practical money management tips rooted in biblical principles, provide guidance and encouragement to help our church family make informed financial decisions to become faithful stewards of the resources God has entrusted to us.

MEET DEACON EDDIE

Hey Family! My name is Eddie G. Dixon, and I'm a lifelong resident of Phenix City, Alabama. I attended Central High School, CVCC, and the University of Montevallo, where I studied political science and history.

Growing up in poverty motivated me to work hard and become financially knowledgeable. Through life experiences, God's Word, and teachings from financial experts like Dave Ramsey, I learned the importance of managing money wisely.

I accepted Jesus Christ as my Lord and Savior in 1983, and my faith has guided my financial journey ever since.

Through Faithful Finances, I hope to share biblical principles and practical financial wisdom to help our church family become better stewards of God's blessings.

FAITH IN PRACTICE

Growing Together in Christ

Spiritual growth is a lifelong journey, and none of us has to walk it alone.
Through ***Faith in Practice***, we'll explore ways to strengthen our walk with Christ through prayer, Bible study, fasting, service, and fellowship.

Whether you're new to faith or have been walking with God for years, this column is designed to encourage spiritual growth, deepen biblical understanding, and help us become more intentional about living out what we believe.

LIVING WELL

Healthy Minds. Healthy Bodies. Healthy Lives.

From practical health tips and healthy habits to conversations about mental health and self-care, this section will provide encouragement and resources to help us care for the bodies and minds God has entrusted to us.

MEET DONELLA

FPC MEMBER; Contributor for Fitness & Nutrition

Hey FPC! I'm Donella Beaver. You probably know me as Braxton or Hendrix's mom—or "the bodybuilder." But I'm really just a girl who fell in love with fitness while trying to become a stronger mother for her kids.
That journey led me to bodybuilding, becoming a certified Physique and Bodybuilding and Nutrition Coach, and creating Triad Health & Wellness, dedicated to my triplets.

Through this section of our newsletter, I hope to share simple, practical ways to help you make healthier choices. **You don't have to be perfect. Just start. Doing something is always better than doing nothing.**

MEET BRANDI

FPC MEMBER; Contributor for Mental Health & Emotional Wellness

Hey Everyone! I'm Brandi Ford. I earned my bachelor's degree in Psychology from the University of Alabama in 2021 and my master's degree in Clinical Mental Health Counseling from the University of South Alabama in 2023.

As a therapist, my passion is helping individuals move from pain and struggle toward a healthier, more balanced, and fulfilling life. I believe true healing involves understanding the whole person—mind, body, emotions, relationships, and experiences.

In this section, I hope to encourage conversations about mental health, share practical tools for emotional wellness, and remind our church family that caring for our mental health is part of living well.
