Notes

Our students have been working hard on their essays for The American Legion Auxiliary's **Americanism Essay Contest!** Through this exciting project, students have been learning how to write a five-paragraph essay while developing their typing and formatting skills.

We will be doing 2 experiments this week including exploding popsicle sticks and edible representations of soil layers. Please let me know if you'd rather your child not partake in the dessert (cookies, Cool Whip, chocolate, and gummy worms).

With thanks, Mrs. McGoldrick.
