How has your spiritual struggle been between *God's wrath and grace*? b. Which is a better motivator? Why? c. Exactly how do we *Sing with integrity* in our *everyday lives*?
- 2. Psalm 101: "Your Father in Heaven Sees" Mentioned 9X in 18 verses.** a. How does God's continual observation help with maintaining integrity? b. Our Father always sees us: Is that more *comforting* or *disconcerting* for you?
- 3. Psalm 101.5-7 "I will pay attention to the way of integrity", "I will live with integrity in my house".** a. How are growing in integrity *and* in Christ *interrelated*? b. How high is Integrity on your list of family values? How is that enforced/encouraged? c. In your family of origin, how significant was integrity (against slander, pride, and deceit)? c. How do you specifically deal with slander/gossip?
- 4. ...Mark 12. 14 Jesus-Man of Integrity, Not swayed by others...** a. How has following Jesus affected your *personal security* and ability to live with integrity (knowing who you are and where you came from)? b. Talk about a specific situation you *called out someone* for lack of integrity? When someone *called you out* on a matter of integrity. How did it affect that relationship?
  - a. When you think of having a heart of integrity in your house, what does that mean for you?
