Dear Families,

Welcome to Saint John Kids Club Summer Camp and AfterSchool Adventures childcare program. The Saint John childcare programs are an outreach ministry of Saint John Community Church. The philosophy of Saint John childcare is to promote a program which meets the fundamental needs for growth and development common to all children, kindergarten-5<sup>th</sup> grade, within a Christian faith environment. The program will offer children many fun and exciting opportunities to learn, play, and develop friendships.

Our goals are as follows:

- \* To provide a family setting where children will experience a safe, secure and enjoyable environment.
- \* To provide activities that will allow the children to experience success and build self-esteem.

**DISCIPLINE POLICY:**

We approach discipline in a positive and consistent way. We will exercise understanding of individual needs and child developmental levels when using discipline. Rules, expectations, and limitations are simple and understandable and will be communicated to all children. Our goal is to foster independence, self-regulation, and to help the children see choices and natural consequences.

Disciplinary action will be taken if a child is disruptive to the activities of the center or is a threat to the safety of another child or himself.

Discipline will be constructive in nature, employing such methods as redirection, separation, positive reinforcement.

We will not use spanking or corporal punishment of any kind. If daily rules are broken, disciplinary action will be as follows:

1<sup>st</sup> offense - Redirect action to a positive form and discuss inappropriate behavior with the child.

2<sup>nd</sup> offense - Remove child from the activity.

3<sup>rd</sup> offense - Conference with parents.

4<sup>th</sup> offense – Child will be asked to be picked up and remain home the following day. You will still be responsible for payment for missed days.

If a child continually exhibits disruptive or inappropriate behavior (i.e.: exposing bodily parts, foul language or is a threat to the safety of themselves or another child), the parents will be called to pick up the child and the child will be not allowed to attend the program the next day.

***\*The following behaviors are unacceptable: spitting, biting, stealing, foul language, and threatening/intimidation.***

If a child's conduct continues to be unacceptable his/her participation in the program ***may be terminated.***

***\*It is an honor and privilege to serve families by providing care for children. To uphold the health and safety regulations of Kentucky's Division of Regulated Childcare, language and/or behavior that is threatening or abusive will not be tolerated from parents or children. Similarly, the posting of disparaging content directed at the center or staff on social media will not be tolerated. Issues will be addressed and if the behavior continues, the center has the right to terminate care.***

### FIRE AND EMERGENCY DRILLS

Fire drills are conducted monthly. To familiarize all students, we rotate the days of the drills. Anytime the fire alarm is activated, the building will be evacuated. Under no circumstances will we ignore an alarm.

Tornado/storm drills will be conducted quarterly. The children will go to the lower level under the sanctuary, our “designated area to shelter in place”. When in our “designated area to shelter in place”, we will have an emergency battery-operated radio with us and will remain there until “all clear” is given by the emergency weather service.

Earthquake and lockdown drills will also be conducted quarterly.

### EMERGENCY/DISASTER EVACUATION PLAN

Saint John Out of School programs are required by state licensing to create and submit an emergency/disaster preparedness and evacuation plan yearly. In the event the facility must be evacuated because of an emergency/disaster in the immediate area, parents will be notified via the ProCare message. If the emergency/disaster is contained within St. John UMC, children and staff will walk to Prospect Southeast Christian Church.

If the first location site is also unsafe, children and staff will be transported by personal vehicle and church van to either Shiloh United Methodist Church or Christ Church United Methodist Church. Parents will be notified via ProCare message.

Each child in the program must have a signed medical release form on file giving the staff permission to remove the child from the premises and transport by personal vehicle or church van. Your child cannot attend AfterSchool Adventures without this signed form.
