

## On the Shore / 04.26.26 / John 21:1-14

---

### Upcoming events to tell your group about (more info on each on pg 2):

- Men's Breakfast (May 2)
- Marriage Collective (May 3)

**Optional Ice Breaker:** Jesus grilled fish for breakfast. What is the weirdest thing you have ever eaten for breakfast?

**Read John 21:1-14**

**Did anything stand out either from Justin's message or reading through John together?**

**What are the disciples doing at the beginning of the passage? What might that tell us about their mindset?**

**What details does John include that seem small but meaningful?** (e.g., the charcoal fire, breakfast, number of fish)

**Why do you think Jesus recreates a moment similar to His original call of the disciples?**

Justin said in his sermon, "the foundation of your relationship with Christ is not what you do but what Christ has done." **How do we see that in this passage?**

**What role does John play in helping Peter recognize Jesus?**

**Why do you think God designed us to need other people to point us to Him?**

**Where are you most tempted to live in "performance for Christ" instead of receiving grace from Christ?**

**Where in your daily life are you most likely to overlook the presence of Jesus?**

**Who in your life helps point you to Jesus? How have they done that recently?**

***Men's/Women's Time (if applicable)***

**Have a time of sharing. (i.e. Share highs/lows in this season, needs in your home/community, etc.)**

**PRAY** for one another.
