Optional Ice Breaker: What is the worst movie you have ever seen and why?

Read Proverbs 6:1-5, 12-15

What part of the sermon or passage stood out to you the most, and why?

Justin said that the wicked man is dishonest and schemes for his own selfish gain. **How did Justin get that main point from this passage?**

Justin said being a person without character is harder than hanging around someone without character. **Do you agree with this statement? Why or why not?**

Is there a time recently when you tried protecting something about yourself that isn't true or fully true? Why were you so concerned with your image?

The cost of living as a man or woman without character is loneliness and exhaustion. **How does a wicked person who schemes become lonely and exhausted?** *(they are never truly known and accepted, and they are tired of always presenting a false version of themselves)*

What is the recurring thing in your life that provokes perverted desires? *(think about media, an ungodly friendship, coveting a lifestyle, your fantasies and daydreams, etc.)*

What does Justin mean when he says, "believe the Gospel"? How is Christ and His work the answer for our character development?
