

Upcoming events to tell your group about (more info on each on pg 2):

- **Home Membership Class** (September 19th)

Optional Ice Breaker: If you could only eat one meal for the rest of your life, what would it be?

What part of the sermon or passage stood out to you the most, and why?

Read Acts 2:42-47

What stands out to you most about the way the early church practiced community? What do you think would be hardest for us to imitate today?

The sermon said that Jesus—not agreement on everything—is what unifies Gospel Community. **Why is it important that Jesus is the center of our community rather than having similar personalities, backgrounds, interests, or opinions?**

The panel talked about Life Groups being present through loneliness, broken relationships, job insecurity, family deaths, and other trials. **Why do you think people are often tempted to withdraw from community precisely when they need it most?**

How could our Life Group get better at being “engaged where we live”?

Alex mentioned, “We don’t have an information problem in American Christianity, but an application problem”. **Do you agree or disagree with that statement? How do Life Groups help with an application problem in your life?**

What is one step God is inviting you to take as a result of this sermon series and panel?

Men’s/Women’s Time (if applicable)

Have a time of sharing. (i.e. Share highs/lows in this season, needs in your home/community, etc.)

PRAY for one another.

Notable Upcoming Events at Fellowship

- **Home Membership Class** (September 19th) One of the most influential things we can do in our walk with Jesus is to become a member of our local church. When you become a member at Fellowship, you step into life-changing community where you are fully known and fully loved. At Home Membership, you find out who Fellowship really is, what we believe, our mission, and how you get to be a part of that mission. There is a time to interact with other new members, members of our staff team, and enjoy two meals together. Childcare is provided, Registration is open!
